Fowers, 2000-09-18 According to psychologist Blaine Fowers the myth of marital happiness that good communication emotional gratification and intimacy result in a healthy relationship has made marriages more fragile than ever before and we must let it go Does this mean that we should give up on love satisfaction intimacy emotional support good communication and good sex in marriage That marriage must be continued solely on the basis of grim commitment That no one should divorce Not at all Instead Dr Fowers shows how we can re envision marriage as a wonderful opportunity to practice the virtues of friendship loyalty generosity and justice in the shared pursuit of our deepest ideals *The War of the Gods (RLE Myth)* Jarich Oosten, 2015-03-05 This structural analysis of myth first published in 1985 focuses on social and political problems of Indo European mythology Dr Jarich Oosten tells how the ancient Indo European gods competed for supreme power and the exclusive possession of the sacred potion of wisdom and immortality In examining the social code of the wars of the gods he reveals that there are remarkably consistent patterns in time and space paternal relatives equals at first prove unable to share power magic goods etc while some gods retain their divine status as an exclusive prerogative their brothers

or paternal cousins are transformed into demons relatives by marriage however who are unequal at first succeed in sharing power and magic goods and thus become equal partners in the pantheon Dr Oosten describes how the ancient mythological cycles were broken down and transformed into heroic sagas and epics and shows how many traditionally related themes the severed head the magic cauldron were preserved Gradually the political problems of kingship came to overshadow the social problems of kinship as in the development of the myths of King Arthur Dr Oosten argues that the social code remains basically the same and his analysis of this code gives a fascinating perspective on the development of Indo European mythology from the oldest written sources to the comparatively recent faitytales **The Great Marriage Tune-Up Book**
