Love Thyself Masaru Emoto, 2011-01-23 The common language that the people of the world have been seeking is found in water crystals Water speaks for what is in our mind Water awakens the subconscious memory in each person I now know why water is indispensable to the phenomenon of life and why alternative therapies exist and why they're effective Water helped me understand religion and prayer and gave me a clue to understanding the nature of energy It helped me understand the relationship between humanity and the cosmos It gave me a clue to help me understand what dimensionality is I could come one step closer to understanding the eternal theme of humanity that asks where we come from why we are here and what happens when we die Thus for the release of this the third volume in my series of The Message from Water I decided to choose what the world most urgently needs at present as a theme That is of course the need to eliminate war and terrorism throughout the world The theme I have chosen is prayer When I thought about it more deeply I realized that prayer is most effectively sent when each person in the world raises their energy of love by imagining a scene where the peoples of the world are living in peace I've been taught this through the process of asking water many questions For this reason the title of this book is Love Thyself First you must shine with positive high spirited vibrations and be full of love In order to do that I think it's important to love thank and respect yourself If that's the case then each of those vibrations will be sent out into the world and the cosmos and the great symphony of that harmonic vibration will wrap our planet in waves of love that serve to cherish our Heaven granted lives This is the message from water

Borysenko, Ph.D., Gordon Dveirin, Ed.D., 2006-01-01 Break free from limitations and become self empowered by saying Yes to change The pain and loss associated with change results in the temporary loss of our habitual identity or false self The false self is an idealized image of who we are adopted in childhood to ease the fear associated with possible rejection and lack of love When this ego self shatters during intense periods of change a period of great opportunity opens up It s easier to become vulnerable and real which can lead to a taste of true nature When loss makes it clear that the false self can t make us happy but that our true nature is always accessible motivation to work toward self realization increases This is one of the most precious gifts of change Change is both scary business and an inescapable fact of life Everything is impermanent and eventually passes away Some changes are natural like aging through the lifecycle Others are sudden and catastrophic such as illness bankruptcy or the death of a loved one Change is an opportunity to shed the limitations of the lower self and be reborn to the higher self This book is an inspiring and practical guide to that process incorporating personal stories cutting edge psychological research and the perennial philosophy of the world s great wisdom traditions This book includes a link to an audio download which is a body based mindfulness meditation that guides you in developing moment by moment awareness and honoring emotions and other experiences without attachment as they arise and pass away The audio is suitable for daily use both by beginners and experienced meditators **Faith Enhances Freedom** Natalie Phipps, 2019-01-25 The most fragile moment of my entire life lasted only 60 seconds In that brief moment I saw my life through a looking glass Having been in denial for years I came to realize that anything is possible And I learned that in the space of just a minute things can be turned around for your good even if they d looked to be the worst Within these pages you ll learn to release your bitterness and to speak truly speak with God Don t give up You can t give up That is the key You must believe When you have a goal or desire hold on to it and keep it close Doors will open for your success Your dreams will be fulfilled because you have faith With faith you can do absolutely anything Even if no one else believes so long as you trust yourself and move forward with the faith and power within you your faith will bring you love confidence strength beauty gifts talents dreams and blessings Keep your faith It brings about powerful life changing differences in your life Faith feeds your
