Similarities Of Bursaries:

Achieving Equity and Quality in Higher Education Mahsood Shah, Jade McKay, 2018-07-05 Across the world higher education is witnessing exponential growth in both student participation and types of educational providers One key phenomenon of this growth is an increase in student diversity governments are widening access to higher education for students from traditionally underrepresented groups However this raises questions about whether this rapid growth may in face compromise academic quality This book presents case studies of how higher education institutions in diverse countries are maintaining academic excellence while increasing the access and participation of students from historically underrepresented backgrounds Including case studies spanning four continents the authors and editors examine whether increasing widening participation positively impacts upon academic quality This volume will be of interest and value to students and scholars of global higher education representation and participation in education and quality in higher education

Financing Access and Equity in Higher Education ,2019-02-11 The demand for higher education worldwide is booming Governments want well educated citizens and knowledge workers but are scrambling for funds The capacity of the public sector to provide increased and equitable access to higher education is seriously challenged What are the on the ground realities of developing financial resources and policies to meet the twin goals of equity and access without jeopardizing quality This volume provides in depth reports from selected countries and sub regions Morocco Korea England Uganda Poland Oman East and southern Africa Southeast Asia Brazil and Egypt Each chapter is written by a seasoned educator participating in the Fulbright New Century Scholar program for 2007 2008 Given the near universal constraints of declining resources but increasing enrollments the authors identify common trends such as the public private divide the privatization of the public sector and diversification of funding To address these issues the chapters examine a surprising variety of policy instruments such as means testing targeted subsidies cost sharing institutional aid student bursaries and tax exemptions

Higher Education Management and Policy ,2006 **Governing Universities Globally** Roger King, 2009-01-01 Governing Universities Globally provides a comprehensive account of higher education in the world today and successfully demonstrates how the study of universities now needs to acknowledge to the global environment Andrew Steven Gunn Political Studies Roger King examines how universities as increasingly autonomous organizations are subject to forms of global governance that rely particularly on private and peer processes rather than legal command and compliance The book explores the growing influence of global regulatory governance governmental and private on universities and national higher education systems It considers processes of purposeful standardization normative internalization and markets as solutions for coordination and collective action problems as well as hierarchical command A range of university systems world models and organizations particularly those associated with Europe and the OECD are examined with particular emphasis on the growth of national and global league tables and similar rankings of higher education institutions

as a form of regulation Governance globally is found to operate through steerage networks deliberation and communities of the knowledgeable and the expert The comprehensive coverage of global university governance includes conceptual theoretical and empirical analyses that will be invaluable to higher education researchers and students and to public policy academics students and practitioners Global governance analysts global business and management postgraduates as well as regulation theorists and practitioners will also find this book to be of great interest

Peter the Great's Administrative and Judicial Reforms Claes Peterson,1979

Opposition, Repression, and Cold War Corina Snitar,2021-03-01 Corina Snitar examines the student protests in Timisoara in 1956 following the Hungarian uprising of the same year Snitar analyzes the students demands regarding Soviet occupation the situation in Hungary and insufficient student accommodations This book shows how the Hungarian revolt was the catalyst for opposition during a time of social duress Snitar examines the methods of repression against real and imaginary opposition to the Communist rule and shows how the fates of students were tied to the political goals of the Romanian leadership

Space Science and Public Engagement Amy Paige Kaminski,2021-06-04 Space Science and Public Engagement 21st Century Perspectives and Opportunities critically examines the many dimensions of public engagement with space science by exploring case studies that show a spectrum of public engagement formats ranging from the space science community s efforts to communicate developments to the public to citizenry attempting to engage with space science issues It addresses why public engagement is important to space science experts what approaches they take how public engagement varies locally nationally and internationally and what roles non experts have played in shaping space science Space scientists outreach specialists in various scientific disciplines policymakers and citizens interested in space science will find great insights in this book that will help inform their future engagement strategies Critically examines how expert organizations and the space science community have sought to bring space science to the public Examines how the public has responded and in some cases self organized to opportunities to contribute to space science Outlines future engagement interests and possibilities

The Australian Journal of Education ,1992

Race for Education Mark Hunter,2019-01-24 An examination of families and schools in South Africa revealing how the marketisation of schooling works to uphold the privilege of whiteness

Education in Scotland in ,1953

The Schooling of Girls in Britain and Ireland, 1800- 1900 Jane McDermid,2013-03-07 This book compares the formal education of the majority of girls in Britain and Ireland in the nineteenth century Previous books about Britain invariably focus on England and such British studies tend not to include Ireland despite its incorporation into the Union in 1801 The Schooling of Girls in Britain and Ireland 1800 1900 presents a comparative synthesis of the schooling of working and middle class girls in the Victorian period with the emphasis on the interaction of gender social class religion and nationality across the UK It reveals similarities as well as differences between both the social classes and the constituent parts of the Union including strikingly similar concerns about whether working class girls could fulfill their domestic responsibilities What they had in common with

middle class girls was that they were to be educated for the good of others This study shows how middle class women used educational reform to carve a public role for themselves on the basis of a domesticated life for their lower class sisters confirming that Victorian feminism was both empowering and constraining by reinforcing conventional gender stereotypes

Report of the Committee of Council on Education in Scotland Great Britain. Scottish Education Dept,1954

What Every Parent Should Know About Education Chris Atherton,Stuart Kime,2025-02-28 What do you really know about how children learn How helpful are different types of assessment and what do the results mean Is homework necessary and how you can you encourage your child at home Will ability groups and setting help your child achieve more How do you choose the right school to suit your child The government and the media have a lot to say about education but what is the evidence behind these debates This book walks you through all the most important issues in education comparing commonly held beliefs with simple summaries of the evidence providing you with clear jargon free information It covers topics including school choice testing and assessment homework and revision primary and secondary specific topics stress and mental health and special needs Most importantly it ensures you will be able to ask schools the right questions interact positively with teachers and effectively support your child throughout their education Chris Stuart have written a parent s guide that is jam packed with practical advice research and informative summaries that any parent can use to support their child to succeed at school It s organised so you can easily dip in and out when looking for information and guidance and gives answers to questions that parents may have about their child s education I recommend this book to all parents guardians that want to work alongside their child s school to get the best out of their time there Dawn Cox Teacher and Blogger

Institutions of Confinement Norbert Finzsch,Robert Jütte,1996 A study of the development of prisons hospitals and insane asylums in America and Europe which grew out of discussions between its two editors about their work on the history of hospitals poor relief deviance and crime and a subsequent conference that attempted to assess the impacts of Foucault and Elias Seventeen contributors from six different countries with backgrounds in history sociology and criminology utilize various methodological approaches and reflect the various viewpoints in the theoretical debate over Foucault s work

The Charity School Movement M. G. Jones,2013-03-21 Originally published in 1938 this book presents a social history of eighteenth century elementary education The main focus is on the different reactions of philanthropists in England Scotland Ireland and Wales to the movement for establishing schools on a religious basis for the children of the poor Intended to draw attention to an often marginalised area the text provides a detailed analysis of the ideologies behind charity schools and the various difficulties they encountered A detailed bibliography appendices and illustrative figures are also included This book will be of value to anyone with an interest in eighteenth century history and the role of charity schools in the development of education

Financing Education in Sub-Saharan Africa UIS,UNESCO-IIEP,UNESCO Office Dakar and Regional Bureau for Education in Africa,2011-01-01 In the current economic climate how can African governments provide every child with a

decent education This report provides the statistical evidence to evaluate the policy trade offs in responding to the rising demand for primary and secondary education in sub Saharan Africa The report presents the most comprehensive and timely data available on the financing of education in 45 sub Saharan African countries In addition historical data enable the authors to track trends since the World Education Forum in 2000 and examine the financial impact of the steadfast commitment of many African governments to provide universal primary education Over the past ten years real expenditure on education has risen by 6% annually across the region It is often assumed that the resources were used to widen enrollment Yet recent data show that many countries also made significant investments to improve their educational services The report also introduces new indicators on critical issues such as the qualifications and salaries of teachers the running costs of schools and the provision of textbooks The authors examine financing trends in private education as well as official development assistance which accounts for more than 50% of public education budgets in some countries In short this report provides the facts not assumptions to analyse policy options and optimise the use of limited financial resources P 4 of cover

Black Nationalist Thought in South Africa Hashi Kenneth Tafira, 2016-07-18 This book maintains that South Africa despite the official end of apartheid in 1994 remains steeped in the interstices of coloniality The author looks at the Black Nationalist thought in South Africa and its genealogy Colonial modernity and coloniality of power and their equally sinister accessories war murder rape and genocide have had a lasting impact onto those unfortunate enough to receive such ghastly visitations Tafira explores a range of topics including youth political movement the social construction of blackness in Azania and conceptualizations from the Black Liberation Movement
