**Answers Explained** Jill Hacker, 2012-05-30 If you're a student entering community college in Virginia you may be required to take a math placement test. The results of this test will determine whether you need to take remedial math before you can take the courses in your program. Remedial math could set you back a semester or a year in your program. This book is designed to help you prepare for the placement test so you can score well and move quickly toward your goal. It contains solutions, answer explanations for Northern Virginia Community College's practice questions for the test. Note: Only solutions, not questions, are included in this book. The questions are found online; a link to them can be found in the book's introduction.
