Music,

Gender, and Sexuality Studies Jacqueline Warwick, 2022-07-14 *Music Gender and Sexuality Studies A Teacher's Guide* serves as a guide to the professor tasked with teaching music to undergraduates with a focus on gender. Although the notion of feminist approaches in musicology was once greeted with scorn, the last 40 years have seen a seismic shift across music studies to the point that classes on women and music are now commonplace in most undergraduate music programs. The goal of this book is to give the instructor some tools and strategies that will build confidence in approaching music as it relates to gender and sexuality and to offer some advice on how to make the class rewarding for all. The book is organized into four broad sections plus an introduction outlining how to use the book and how the teaching of music gender and sexuality can be rewarding. Each section: Composition, Support, Performance, and Audience, includes possible themes for study and examples of music that can illuminate those themes, allowing the instructor to shape the course according to their own preference for classical, jazz, or popular styles. The author offers a practical guide to building syllabi that can fit the instructor's interests and the priorities of the institution, crafting assignments that will engage and inspire students, choosing repertoire from a range of styles and genres, and maintaining a focus on how music shapes gender and how gender shapes music. Proceedings of the 7th International Conference on Language, Literature, Culture, and Education (ICOLLITE 2023) Nuria Haristiani, Yulianeta Yulianeta, Yanty Wirza, Wawan Gunawan, Ari Arifin Danuwijaya, Eri Kurniawan, Suharno Suharno, Nia Nafisah, Ernie Diyahkusumaning Ayu Imperiani, 2024-02-26 This is an open access book. ICOLLITE is an annual international conference organized by the Faculty of Language and Literature Education of Universitas Pendidikan Indonesia in the fields of Language, Literature, Culture, and Education. This conference embraces interdisciplinary studies representing advances and fresh studies in the fields of language, literature, culture, and education. Presenters and participants are welcomed to discuss and disseminate current issues and offer solutions to the challenges of our time. *Experiencing Translationality* Piotr Blumczynski, 2023-05-16 This innovative book takes the concept of translation beyond its traditional boundaries, adding to the growing body of literature which challenges the idea of translation as a primarily linguistic transfer. To gain a fresh perspective on the work of translation in the complex processes of meaning-making across physical, social, and cultural domains, conceptualized as translationality, Piotr Blumczynski revisits one of the earliest and most fundamental senses of translation: corporeal transfer. His study of translated religious officials and translated relics reframes our understanding of translation as a process creating a sense of connection with another time, place, object, or person. He argues that a promise of translationality animates a broad spectrum of cultural, artistic, and commercial endeavours; it is invoked, for example, in museum exhibitions, art galleries, celebrity endorsements, and the manufacturing of musical instruments. Translationality offers a way to reimagine the dynamic entanglements of matter and

meaning space and time past and present This book will be of interest to students and scholars in translation studies as well as related disciplines such as the history of religion anthropology of art and material culture **The Last Train** Michael
