Mometrix Test Preparation's Psychiatric Mental Health Nurse Practitioner Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Nurse Practitioner Exam. The exam is extremely challenging and thorough test preparation is essential for success. Our study guide includes 2 practice tests available online, 1 of these printed in the guide. Step by step video tutorials to help you master difficult concepts, tips and strategies to help you get your best test performance. Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your PMHNP exam: the concepts, procedures, principles, and vocabulary that the American Nurses Credentialing Center (ANCC) expects you to have mastered before sitting for your exam. Sections include: Scientific Foundation, Advanced Practice Skills, Diagnosis and Treatment, Psychotherapy and Related Theories, Ethical and Legal Principles, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix PMHNP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PMHNP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. All 2 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed 1 practice test in your guide for offline reference. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step by step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our Psychiatric Mental Health Nurse Practitioner Exam Secrets Study Guide is no exception. It's an excellent investment in your future. Get the PMHNP review you need to be successful on your exam.
