- **Government, Citizenship, and democracy**
 - The function of the government is to secure the common welfare of the members of the given society over which it exercises control.
 - Among primitive people, system of control was rudimentary. They arose directly from the ideas of right and wrong. Control was exercised most often by means of group pressure, typically in the form of taboos and superstitions- and in most cases ostracism (banishment from the group).
 - A good government will always weigh the relative merits of what is good for a given individual in society and what is good for the society as a whole.
- **Forms of Government**
 - Anarchism- A political movement believing in the ELIMINATION of all government.
 - Political violence
 - Assassination of political or governmental figures
 - Black flag
 - Communism- Political system characterized by classes, stateless social organization.
 - Common ownership of national goods.
 - Red Flag
 - Dictatorship- Rule by individual or small group
 - Centralizes all political control in itself and enforces its will with strong police force.
 - AKA Oligarchy
 - Fascism- Political system opposed to Communism
 - Similar in basic structure to communism
 - One-party state and centralized political control.
 - Fascism tolerates private ownership of the means of production
 - German Nazism and Italian Fascism
 - Monarchy- Rule by a King or Queen
 - May or may not be accompanied by some measure of democratically open institutions and elections at various levels.
 - Great Britain → constitutional monarchy
 - Parliamentary System- A system of government with a legislature, usually involving a multiplicity of political parties and often coalition politics
 - Division between the head of state and head of government.
 - Head of government is usually called the prime minister.
 - Presidential System- A system of government with a legislature, involving few or many political parties.
