What Makes a Country Rich?

A key product of the Scottish Enlightenment, *The Wealth of Nations* offers a systematic analysis of economics on the national level, exploring the interrelated issues of labor, trade, taxation, and monetary policy. Despite its length and antiquity, Smith's treatise remains the foundational work of classical economic theory.

Division of Labor

Specialization increases productivity and economic growth.

Invisible Hand

The free market works best when individuals pursue their own self-interest, leading to overall societal benefit.

Political Economy

Examines the relationship between economics and government, advocating for free markets and limited government intervention.
