O'Connor, Shannon E.

Perry, Marilyn J. Hockenberry, Deitra Leonard Lowdermilk, David Wilson, 2021-10-21 The new Study Guide for Perry's Maternal Child Nursing Care in Canada is designed to help you review and master content from the core text and learn how to think critically in applying your knowledge. Chapters parallel those in the text and provide review, critical thinking applications, engaging activities, and more, with an answer key at the back of the book. This comprehensive study guide also contains case studies to help you integrate information and develop the critical thinking, clinical reasoning, and clinical judgement skills required to pass your licensure examination and excel in clinical practice. Thinking Critically case-based activities require students to apply the concepts found in the chapters to solve problems, make clinical judgement decisions concerning care management, and provide responses to patient questions and concerns. Reviewing Key Concepts questions in various formats give students ample opportunities to assess their knowledge and comprehension of information covered in the text. Matching, fill in the blank, true/false, short answer, and multiple choice activities help students identify the core content of each chapter and test their understanding. Learning Key Terms matching and fill in the blank questions let students test their ability to define all key terms highlighted in the corresponding textbook chapter. Perforated pages allow you to use activities for graded assignments. Answer key at the end of the book includes answers to all questions.

Illustrated Study Guide for the NCLEX-PN® Exam - E-Book JoAnn Zerwekh, 2023-11-30 Who says studying has to be boring? The Illustrated Study Guide for the NCLEX PN Exam 10th Edition uses colorful drawings and mnemonic cartoons to bring difficult concepts to life and help you recall the content you need to know to excel on the NCLEX PN examination. Written in a concise and visually appealing outline format, this book makes learning and studying easier and more fun. The companion Evolve website includes more than 3,000 review questions, including alternate item and Next Generation NCLEX formats, and allows you to personalize your study by creating practice exams, identifying strengths and weaknesses, and reviewing answers and rationales. Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 3,000 review questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. The review questions include multiple choice, alternate item format, and NGN. Answers and rationales are provided for all review questions. Test Alert boxes in the book highlight key concepts frequently found on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Older Adult Care Focus boxes in the book provide special considerations and nursing care strategies for the older adult. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Appendixes for each chapter summarize medications and nursing procedures for quick reference. Special icons distinguish pediatric and adult disorders and identify content on self-care and home care. A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination. NEW Patient scenarios and Next Generation NCLEX question types familiarize you with these new item types. NEW NCSBN
