The Masonic Genesis The Secret Destiny Of United States:

The Masonic Genesis Le-anne Jolakian, 2014-12-09 In her book Isis Unveiled theosophist Helena Blavatsky wrote geologists have discovered unanswerable proof that humanity antedates 250 000 years Pythagoras 6 centuries before Jesus said in order to understand God and Creation we need to understand the esoteric meanings of numbers and the geometric forms of the objects that God created in the Universe and on Earth For example Pythagoras said the Sun must have the form of Universe both spherically shaped with no beginning and no end therefore he said God is telling us that the Universe is infinite Another example God created North America in the shape of tornado and British Isles in the shape of disguised pyramid which means God is telling us that when destructive tornadoes appear in North America Katrina Isabel Ivan these would be warning signs that global warming had started and the next Ice Age is approaching and the winners will be Britain Turkey and the Israelites These were ancient mysteries known to ancient philosophers and the prophets of the Old Testament emperors popes monarchs caliphs sultans khagans Genghis Khan and the Israelites Their God was Yahweh which was different from the True God that Pythagoreans worshiped In Genesis 49 9 17 Yahweh gives the hidden Key to all these conspiracies it says Jacob descended from the line of Abraham and Isaac For Freemasons and Rosicrucians Jacob is the father of all nations on earth Jacob on his deathbed assigned his son Judah the symbol of Lion and his younger son Dan the symbol of Serpent We know Judas back stabbed Jesus and betrayed him Lions and Eagles are the kings of fauna Lions sleep with eyes open at night and Eagles watch from sky what s happening on Earth The Masonic Rosicrucian conspiracy behind all these is that monarchies that have adopted the symbol of Lion are assigning the rulers of the countries that have Serpent as emblem and then like Judas back stabbing them after their jobs are finished In exchange the assigned Serpent rulers sacrificed their population during the world wars so as with the Lions they would continue to rule The globalists are saying that in order for humanity to survive through Great Solar Years axial precession and ice ages it should function the same way that the animal kingdom functions or Universe s Big Bang and Big Crunch theory is We are now in 7th millennium of Ussher chronology in this millennium a large catastrophe like Noah s Flood will happen when globalists will be in power Then until the end of the current Great Solar Year it will be chaos Current population will be brought down to Yahweh s number Noah s Arc During the next Great Solar Year when the time is right in terms of axial precession and astrological warning signs the globalists will initiate another 7 millennium cycle and everything will repeat These 7 millenniums happen through smaller cycles of 7s To find out when the smaller cycles start and end a Key is needed The monarchs of the world and their agents decide the Key An example from US history On the reverse side of US one dollar bill the Roman numerals MDCCLXXVI stand for 1776 King George III and his agents decided the key which is 1776 is made up of numbers 1 7 16 and 7 The secrets behind these numbers the key is that 1 is the Monad that is under the 1st president the Logos the Word the US Constitution should be adopted Washington on one dollar bill under 7th president the US should grow expand Jackson on twenty dollar

bill under 16th president 1 6 7 civil war should happen Lincoln on five dollar bill and under 43rd president 4 3 7 terrorist attacks should happen 9 11 What will happen next after the 43rd president is again written on the reverse side of 1 bill Under the pyramid it is written Novus Ordo Seclorum New World Order Per Masonic authors New World Order is about construction of Solomon s Temple Turkey and Is *Secret Destiny of America* Manly P. Hall,2024-07-09 The Signature Edition of Manly P Hall s Esoteric Classics on America Fully reset and newly introduced by PEN Award winning historian Mitch Horowitz The Secret Destiny of America 1944 and America s Assignment with Destiny 1951 are Manly P Hall s core statements on the esoteric purpose and occult backstory of the United States In these two volumes appears Hall s thrilling thesis that democracy and personal liberty are part of a Great Plan extending from the pharaonic era to Hellenic secret societies to illumined intellects such as Francis Bacon and Christopher Columbus to modern expressions of Rosicrucianism and Freemasonry finally blossoming among the ideals of America s Founders In his introduction Mitch explores the historicism of Hall s writing on America highlighting lasting points and augmenting the record where new information is available Mitch specifically considers the Atlantean thesis from the perspective of the twenty first century reviews Hall s career long influence on President Ronald Reagan examines the eye and pyramid of the Great Seal of the United States contextualizes the impact of Freemasonry on the nation s founding explores Mesoamerican civilization and its complexities and critically considers the role of secret societies in modern life Hall ranks among the few historical writers who at least recognized the inceptive role of Freemasonry in America s founding Mitch writes a perspective only recently granted overdue treatment in scholarly literature Indeed it was Manly P Hall alone who kept alive the light of esoteric ideas and their role in the nation s formation during the time he produced these seminal volumes They are presented here with a substantial historical introduction in their definitive form **The Architects of America** Russell Blackwell,2012 Did the Freemasons consciously affect the geographical growth of the USA in order to invest the layout of the states with a deeper symbolic meaning the narrative concentrates on the development of Masonic ritual during the eighteenth and nineteenth centuries especially their description of the ideal building or Temple the concurrent construction of America and the role Freemasons played in it and the emergence of a simple but highly symbolic mathematical formula that recurs regularly throughout the history of the Republic Maps and diagrams illustrate the surprising coherence of the theory **The Secret Science of Masonic Initiation** Robert Lomas,2010-09-01 Freemasonry has a deep purpose which can be overlooked in the rush of the modern world Its ritual says it is a high and serious subject But how can an individual discover the truths it outlines Robert Lomas has spent thirty years as a university teacher and twenty years studying Freemasonry In this book he shares his personal insight into the Craft and outlines the steps a Mason must take to find self knowledge His words are illuminated by the unique symbolic drawings of two masters of Masonic Tracing board design The purpose of Freemasonry is to help its members become Initiates in the science of Life If you want to know yourself then Freemasonry offers a path to that

Collins,2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and

ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond **AB Bookman's Weekly** ,1993 **Trestle Board** ,1922 Christian Advocate ,1906
