Kiera Cass Edward Willett, 2014-12-15 Although still in the early stages of her career, Kiera Cass has enjoyed the kind of success most writers only dream of. After publishing her first novel, *The Siren*, in 2009, she went on to write *The Selection*, a dystopian young adult novel set in a future version of the United States in which girls are selected by lottery to compete for the position of Princess. Although she had had no luck at all in finding either an agent or a traditional publisher for *The Siren*, *The Selection* landed her in short order an agent and a three-book deal with a top publisher. Cass fans and newcomers alike will enjoy reading this biography of an exuberant but down-to-earth young author.

Year One Nora Roberts, 2019-09-24 1 NEW YORK TIMES BESTSELLER December 2017 A stunning new novel from the 1 New York Times bestselling author Nora Roberts *Year One* is an epic of hope and horror chaos and magick and a journey that will unite a desperate group of people to fight the battle of their lives It began on New Year's Eve The sickness came on suddenly and spread quickly The fear spread even faster Within weeks everything people counted on began to fail them The electrical grid sputtered law and government collapsed and more than half of the world's population was decimated Where there had been order there was now chaos And as the power of science and technology receded magick rose up in its place Some of it is good like the witchcraft worked by Lana Bingham practicing in the loft apartment she shares with her lover Max Some of it is unimaginably evil and it can lurk anywhere around a corner in fetid tunnels beneath the river or in the ones you know and love the most As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets and with nothing left to count on but each other Lana and Max make their way out of a wrecked New York City At the same time other travelers are heading west too into a new frontier Chuck a tech genius trying to hack his way through a world gone offline Arlys a journalist who has lost her audience but uses pen and paper to record the truth Fred her young colleague possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape And Rachel and Jonah a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive In a world of survivors where every stranger encountered could be either a savage or a savior none of them knows exactly where they are heading or why But a purpose awaits them that will shape their lives and the lives of all those who remain The end has come The beginning comes next
