

THE MASTER KEY

An Electrical Fairy Tale

FOUNDED UPON THE MYSTERIES OF ELECTRICITY
AND THE OPTIMISM OF ITS DEVOTEES, IT WAS
WRITTEN FOR BOYS, BUT OTHERS MAY READ IT.

BY L. Frank Baum

The Master Key An Electrical Fairy Tale

D Keegan

The Master Key An Electrical Fairy Tale:

The Master Key L. Frank Baum, 2019-09-25 Reproduction of the original *The Master Key* by L. Frank Baum *The Master Key - An Electrical Fairy Tale* L. Frank Baum, 2018-10-17 *The Master Key An Electrical Fairy Tale Founded Upon the Mysteries of Electricity and the Optimism of Its Devotees* is a novel by L. Frank Baum author of *The Wonderful Wizard of Oz*. The protagonist is a boy named Rob Joslyn. His age is not specified. Baum dedicated the book to My Son Robert Stanton Baum who was born in 1886 and would thus have been about fifteen at the time it was published. Rob is an electrical experimenter whose father encourages him and sees that he never lacked batteries, motors, or supplies of any sort. A network of wires soon ran throughout the house. He loses track of the elaborately interconnected wires and, trying to get a cardboard house to light up, he experimented in a rather haphazard fashion, connecting this and that wire blindly and by guesswork in the hope that he would strike the right combination. There is a bright flash and a being who calls himself the Demon of Electricity appears. He tells Rob that he has accidentally touched the Master Key of Electricity and is entitled to demand from me three gifts each week for three successive weeks. Rob protests that he does not know what to ask for, and the Demon agrees to select the gifts himself. Over the next two weeks, Rob experiences adventures exploring the use of the Demon's gifts but eventually concludes that neither he nor the world is ready for them. On the third week, Rob rejects the Demon's gifts and tells him to bide his time until humankind knows how to use them. The Demon leaves. With a light heart, Rob concludes that he made the right decision.

The Master Key. An Electrical Fairy Tale Founded Upon the Mysteries of Electricity L. Frank Baum, 2023-10-23 In *The Master Key An Electrical Fairy Tale Founded Upon the Mysteries of Electricity*, L. Frank Baum combines whimsical storytelling with illuminating insights into the burgeoning field of electrical science at the turn of the 20th century. Set within a fantastical realm, Baum employs a lyrical and playful prose style that makes complex concepts of electricity accessible to young readers. The narrative follows the journey of a boy named Peter who discovers a magical key that unlocks various doors to adventure and knowledge, reflecting Baum's intent to merge entertainment with education, thus placing the work within the context of early American children's literature, which sought to inform as well as enchant its audience. L. Frank Baum, celebrated for his groundbreaking work in children's literature, was deeply influenced by the technological advancements of his era. His keen interest in electricity, a topic of fascination during his time, informs much of this story's imaginative framework. Baum's desire to inspire wonder in the minds of youth likely stemmed from his own experiences in a rapidly modernizing world, allowing him to blend imaginative fantasy with the realities of contemporary science. Readers will find *The Master Key* an enchanting exploration of adventure and discovery, making it a delightful read for both children and adults alike. Baum's ability to intertwine magical narrative with real-world science serves to not only entertain but also educate, making this book an essential addition to any literary collection.

The Master Key L. Frank Baum, 2013-04-09 *The Master Key* **The Master Key** L. Frank Baum, 2005-08-01 *The Master Key* L. Frank Baum, 2021-06-08 *The Master Key*

1901 is a children's novel by L. Frank Baum. Published the year after the first installment of his beloved Wizard of Oz series, *The Master Key* is one of few works by Baum set outside of the magical Land of Oz. This book is a testament to the heartfelt imagination of one of America's finest authors in the genres of fantasy and children's literature. Here is a fairy tale founded upon the wonders of electricity and written for children of this generation. Yet when my readers shall have become men and women, my story may not seem to their children like a fairy tale at all. Perhaps one, perhaps two, perhaps several of the Demon's devices will be by that time in popular use. Who knows? Building on the excitement of an industrializing world immersed in the wonders of science and magic alike, *The Master Key* is a story of a boy who dares to dream. Young Rob Joslyn is a skilled engineer whose experiments with electricity delight and astound his father. One day a spark reveals a figure known as the Daemon of Electricity who offers the boy three gifts for each of the next three weeks. Unsure of what he wants, Rob is after all used to building what his mind desires; the Daemon agrees to choose for him. As each week brings a series of otherworldly inventions, Rob's life is changed forever. Highly original and eminently human, L. Frank Baum's *The Master Key* is a story that continues to astound so long as there are readers who will cherish it. Long overshadowed by *The Wizard of Oz*, *The Master Key* is required reading for children and adults who refuse to let life lose its flavor of fantasy. With a beautifully designed cover and professionally typeset manuscript, this edition of L. Frank Baum's *The Master Key* is a classic work of children's literature reimagined for modern readers.

The Master Key Lyman Frank Baum, 2016-05-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
