The No Nonsense Guide To World Food:

The No-nonsense Guide to World Food Wayne Roberts, 2008 A world tour of fast food health food junk food school food slow food and even more food It shows how real food has become increasingly hard to find dominated in the West by agri business and supermarkets With a history of world food production and consumption this Guide explains current debate and controversies and introduces the principle of food security fast becoming a global movement to make food provision fair safe and nutritious for all the world's population at all times [The No-Nonsense Guide to World Food](#) Wayne Roberts, 2013-09-23 Wayne Roberts puts under the microscope a global food system that is under strain from climate change and from economic disaster He shows how a world food system based on supermarkets and agribusiness corporations is unsustainable and looks at new models of producing healthy food from all over the world [No-Nonsense Guide to World Food](#), 2008 [No-Nonsense Guide to World Food, 2nd Edition](#), 2013 In this updated edition of The No Nonsense Guide to World Food Wayne Roberts puts under the microscope a global food system that is under strain from climate change and from economic disaster He shows how a world food system based on supermarkets and agribusiness corporations is unsustainable and looks at new models of producing healthy food from all over the world **The No-nonsense Guide to World Music** Louise Gray, 2009 A look behind the catch all term world music aiming to explore the reasons for the contemporary interest in world music who its audience is and why it has become such a popular genre Through chapters on the many different genres that make up this multi faceted area the case for music as a powerful harmonising tool is aptly put forward **The No-nonsense Guide to International Development** Maggie Black, 2007 Building dams in India planting trees in Burkina Faso rescuing street children in Brazil these are images of aid and international development with which we can all identify However what passes for development all too often improves life for the better off while actively hurting the very people the venture was meant to support Maggie Black exposes the hypocrisy and reveals a more accurate picture of what is happening in development's name arguing for a process to be put in place that truly defends the interests of poor people *The No-Nonsense Guide to World Population* Vanessa Baird, 2011-08-16 No Nonsense Guide to World Population 12 page With world population passing seven billion and predicted to hit nine billion by 2050 we are in the grip of a number panic This book explodes some of the common myths looks at what the numbers really mean and addresses nine topics such as why women in most parts of the world have fewer children what will happen to our societies as we all live longer and how having babies relates to climate change Vanessa Baird is co editor at New Internationalist magazine Her previous books include The No Nonsense Guide to Sexual Diversity and as compiler and editor Eye to Eye Women **The No-Nonsense Guide to Fair Trade** David Ransom, 2006-10-01 Meeting the people who grow our bananas and cocoa and make our clothes this No Nonsense Guide to Fair Trade tells the human story behind what we consume Examining the global contest between free and fair trade David Ransom argues that the key question is not whether trade should be regulated or deregulated but

whether it is to be the master or servant of the people And as fair trade products are being turned into brands by large corporations a new contest opens it is no longer just a question of fair versus free but what kind of fair trade *The No-nonsense Guide to Global Terrorism* Jonathan Barker,2008 A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often characterise the response to terrorism

No-Nonsense Guide to Fair Trade, 3rd Edition Sally Blundell,2013 An in depth look at two decades of a movement that aims to challenge the ethical foundations of the global market Transnational corporations look for the cheapest suppliers while the fair trade movement insists on a premium for the producers at the start of the chain Sally Blundell explores the origins of fair trade and what it is likely to become in the face of growing disparities between the principles and the practice

The No-nonsense Guide to World Poverty Jeremy Seabrook,2007 The world is wealthier than ever yet the gap between rich and poor is getting bigger Jeremy Seabrook summarises his celebrated work on the meaning of poverty drawing on the experience of poor people in both rich and poor societies He concludes that the opposite of poverty is not wealth but sufficiency the relatively poor majority of the world s people do not aim to be rich but to be safe Economic growth will never overcome the problems that it is largely responsible for creating This is a call for radical thinking about the way we live

The No-Nonsense Guide to World Health Shereen Usdin,2007 A history of modern healthcare shows that public health is largely determined by socio economic factors ***The No-nonsense Guide to Conflict and Peace*** Peter Greener,2006 This invaluable guide is excellent for students peace groups and activists With tables maps case studies and quotes it looks at how conflict escalates and ways it can be prevented It examines the changing types of war including the War on Terror and ethnic conflict such as in Rwanda the role of diplomacy and the UN and what steps ordinary people are taking to re build communities It also offers ideas and inspiration for creating lasting peace *The No-nonsense Guide to Global Finance*

Peter Stalker,2009 The basic concepts of finance are introduced and explained in this No Nonsense Guide Includes information on how money is created as well as how decisions by banking and other financial service corporations determine the fate of billions of people In today s turbulent economical climate this guide makes for essential reading *The No-Nonsense Guide to Women's Rights* Nikki van der Gaag,2008-11-01 Has the battle for women s rights been won Not when women still make up 70 percent of the world s poor This guide examines the advances that have been made and looks beneath the surface to find out what the reality is for women all around the world It shows how in this post feminist age women s rights are still very much an issue Nikki van der Gaag is a freelance writer editor and evaluator on development issues Prior to this she was editorial director at the Panos Institute and co editor of the New Internationalist magazine

The No-nonsense Guide to the United Nations Maggie Black,2008 Conveys the complexity of the UN assesses its record and considers options for reform **The No-Nonsense Guide to International Migration** Peter Stalker,2008-04-01

Virtually any commodity can move around the world to satisfy demand but human beings have far less freedom Many would be migrants are forced to risk life and limb traveling illegally Yet most rich countries are short of workers have shrinking populations and need more immigrants This is a timely guide to a major issue that is never far from the political headlines Peter Stalker is a former co editor of the New Internationalist who now works as a consultant to a number of UN agencies He has written two books on migration for the International Labor Organization **The No-Nonsense Guide to Sexual**

Diversity Vanessa Baird,2007-10-01 The treatment of sexual minorities whether lesbian gay bisexual or transgender varies significantly in different parts of the world In some countries equal rights have been achieved and progress is being made against discrimination in others being gay still incurs the death penalty This guide examines all the colors of the sexual rainbow unearths hidden histories and looks at contributions from medicine and science It also includes a unique global survey of laws that affect sexual minorities Vanessa Baird has been co editor at New Internationalist magazine since 1986
