The Notebook Bog:

Selections from the Notebooks Of Edward Bond Edward Bond, 2014-03-24 In this first volume of notebooks Edward Bond reveals himself to be one of the finest and most creative minds to have emerged in the twentieth century Exploring the meeting point between politics and the art of the writer Bond's notes chart the creative progress of his work and thinking over a twenty year period from 1959 when his first plays started to be produced at London's Royal Court Theatre to 1979 when he had achieved fame as a major writer While providing a detailed commentary on his plays the Notebooks also contain early play drafts poems and stories his thoughts on life Brecht art and dramatic method as well as his notes on censorship

The Notebooks of Robert Frost Robert Frost, 2007-01-01 During his lifetime Robert Frost notoriously resisted collecting his prose going so far as to halt the publication of one prepared compilation and to lose the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936 But for all his qualms Frost conceded to his son that you can say a lot in prose that verse won't let you say and that the prose he had written had in fact made good competition for his verse This volume the first critical edition of Robert Frost's prose allows readers and scholars to appreciate the great American author's forays beyond poetry and to discover in the prose that he did make public in newspapers magazines journals speeches and books the wit force and grace that made his poetry famous The Collected Prose of Robert Frost offers an extensive and illuminating body of work ranging from juvenilia Frost's contributions to his high school Bulletin to the charming chicken stories he wrote as a young family man for The Eastern Poultryman and Farm Poultry to such famous essays as The Figure a Poem Makes and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters Gathered annotated and cross referenced by Mark Richardson the collection is based on extensive work in archives of Frost's manuscripts It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material It is a book of boundless appeal and importance one that should find a home on the bookshelf of anyone interested in Frost

The Notebook Roland Allen, 2024-09-03 The first history of the notebook a simple invention that changed the way the world thinks We see notebooks everywhere we go But where did these indispensable implements come from How did they revolutionize our lives And how can using a notebook help change the way you think In this wide ranging history Roland Allen reveals how the notebook became our most dependable and versatile tool for creative thinking He tells the notebook stories of Leonardo and Frida Kahlo Isaac Newton and Marie Curie and writers from Chaucer to Henry James shows how Darwin developed his theory of evolution in tiny pocket books and Agatha Christie plotted a hundred murders in scrappy exercise books and introduces a host of cooks kings sailors fishermen musicians engineers politicians adventurers and mathematicians all of whom used their notebooks as a space to think and in doing so shaped the modern world In an age of AI and digital overload the humble notebook is more relevant than ever Allen shows how bullet points can combat ADHD journals can ease PTSD and patient diaries soften the trauma of reawakening

The Ecology of Finnegans Wake Alison Lacivita,2021-11-09 In this book one of the first ecocritical explorations of Irish literature Alison Lacivita defies the popular view of James Joyce as a thoroughly urban writer by bringing to light his consistent engagement with nature Using genetic criticism to investigate Joyce s source texts notebooks and proofs Lacivita shows how Joyce developed ecological themes in Finnegans Wake over successive drafts Making apparent a love of growing things and a lively connection with the natural world across his texts Lacivita s approach reveals Joyce s keen attention to the Irish landscape meteorology urban planning Dublin s ecology the exploitation of nature and fertility and reproduction Alison Lacivita unearths a vital quality of Joyce s work that has largely gone undetected decisively aligning ecocriticism with both modernism and Irish studies

Genres in the Internet Janet Giltrow,Dieter Stein,2009-10-28 This volume brings together for the first time pragmatic rhetorical and literary perspectives on genre mapping theoretical frontiers and initiating a long overdue conversation amongst these methodologies The diverse approaches represented in this volume meet on common ground staked by Internet communication an arena challenging to traditional ideas of genre which assume a conventional stability at odds with the unceasing innovations of online discourse Drawing on and developing new ideas of genre the research reported in this volume shows on the contrary that genre study is a powerful means of testing commonplaces about the Internet world and in turn that the Internet is a fertile field for theorising genre
