The Parable Of The Sheep And The Goats Matthew 25 340:

A Mediator in Matthew Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew's portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God's will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God's will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus's genuine disciples learn how to emulate the Son of Man's character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God's promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God's will

Restoring the Honour of His Name Arthur Eedle, 2011-08-15 The authors have sought to identify theological topics which the Church has misapplied misunderstood or passed over in respect of the future judgment of all mankind and which when examined cast dishonour on the Lord's name Establishing the theology of God's Total Victory over sin and the Devil failure of Universalism Examination of Creeds the everlasting problem Legal Requirements of Christ's Death for whom did Christ die Sheep and Goats the Rich man and Lazarus Firstborn and Firstfruits Confession Fire Brimstone and Torment Hell and the Lake of Fire The authors do not assume that they have all the answers but have set forth the results of their own extensive studies They hope their writings will engender deeper thought and greater enlightenment to those who have been troubled by the problems and misunderstandings found within the words conscious everlasting torment

Stories with Intent Klyne Snodgrass, 2008-01-11 Stories with Intent offers pastors and students an accessible and comprehensive guide to Jesus parables Klyne Snodgrass explores in vivid detail the context in which these stories were told the purpose they had in Jesus message and the ways they have been interpreted by the church and modern scholarship While holding a consciously evangelical approach Snodgrass deals throughout with a broad spectrum of opinions and interpretations He begins by surveying the primary issues in parables interpretation Offering both a new more functional classification system for Jesus parables and guidelines for interpreting them he provides an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each including background and significance for today

Carlston, Craig A. Evans, 2014-09-11 Charles E Carlston and Craig A Evans show how the Evangelist took over a variety of traditions from Judaism and early Christianity and worked them into a theological portrait that would be accessible to both Jews and Gentiles as they became followers of Jesus Back cover *The Theology of the Four Gospels* Mel Shoemaker, 2011-10 Biblical theology is the discovery and development of doctrine as found and emphasized by a specific book of the Bible Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one s understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer s wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e g ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ **The Gospels of st. Matthew, illustrated from ancient and modern authors** James Ford, 1848 **Matthew** Anna Case-Winters, 2015-03-18 One of the most beloved books of the New Testament the Gospel of Matthew speaks with eloquence and power Among the Gospels Matthew paints a fuller picture of the life ministry and teachings of Jesus Anna Case Winters s incisive commentary reveals that Matthew is clearly a theological book It is about God s saving work in Jesus Christ Moreover it is presented in a way that easily lends itself to the task of teaching and preaching Case Winters highlights five

themes that shape the distinctive portrait of Jesus this Gospel offers Here we see Jesus facing up to conflict and controversy ministering at the margins overturning presuppositions about insiders and outsiders privileging the powerless demonstrating the authority of ethical leadership challenging allegiance to empire and pointing the way to a wider divine embrace than many dared imagine Case Winters captures the core of Matthew's unique Gospel which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles
