The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic. Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19, the Sunday service grew from 242 to over 7,000 in attendance. What can account for the meteoric rise in popularity? Why did so many wish to hear his sermons? It is the same reason why one ought to study the sermons of Spurgeon to this day: in a famished land of moralism, he preached the bread of Jesus Christ. Containing the first three volumes of the sixty-three volumes published from the Metropolitan Tabernacle pulpit, this book holds 164 sermons as plump as a partridge and as full of meat as an egg. David A. Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville, Kentucky.

Sanatana Dharma and Plantation Hinduism (Second Edition Volume 1) Ramesh Gampat, 2020-01-06 Christian missionaries worked hard to convert immigrants. Their first order of business was to denigrate Hinduism, designate Hindus as heathen, and disparage their culture, food, and even attire. Immigrants stubbornly resisted, led by the tiny educated elite, including Brahmins. Conversion was a failure at least up to the end of the 19th century but picked up a self-generating momentum thereafter. The result is that the share of Hindus in Guyana's Indian population declined from 83.5 percent in 1880 to 62.8 percent in 2012. The largest portion of the contraction was lost to Christianity. The loss notwithstanding, even a casual observer would conclude that Guyanese Hindus at home and in the Diaspora are a very religious people. Many of us do a jhandi or havan once annually; others do the more elaborate and costlier yajna where everyone is welcome once or twice in their lifetime. Most of us do a short daily puja, prayers, offerings, reading the shstras, and listening to bhajan in our homes. An important but perhaps unintended way immigrants countered conversion to Christianity was an unplanned movement towards a synthesis that brought Hindus regardless of caste or sect under a unitary form of Hinduism. The synthesis began around the 1870s and was completed by the 1930s to the 1950s. Guyanese Hindus call the unified corpus of religious beliefs and practices that emerged from the synthesis Sanatana Dharma. Ramesh Gampat labels it Plantation Hinduism in this path-breaking book. The book argues that the brand of Hinduism practiced is inconsistent with Sanatana Dharma, called Vedanta by the more philosophically inclined. Plantation Hinduism features an extraordinary dependence upon purohitas and pandits, which has anaesthetized the Hindu mind and rendered him unable to think, question, and inquire when it comes to Dharma. Rituals and bhakti have been degraded and turned into desire-motivated worship; devatas have been misconstrued as Brahman rather than as limited manifestations of the one non-dual pure Consciousness. Belief in the multiplicity of gods encourages image worship and superstitions anchor Guyanese Hindus to tradition and mere belief. Plantation Hinduism is little more than desire-motivated actions, dogmas, and superstitions. Absent is the idea that Sanatana Dharma is a spiritual science, no less scientific than hard

sciences such as physics and astronomy The central message of Vednta is the innate divinity of every person and the freedom to realize that divinity through anubhava direct personal experience of Supreme Reality *A History of Indian Philosophy: Volume 1* Surendranath Dasgupta, Dasgupta, 1922 In this benchmark five volume study originally published between 1922 and 1955 Surendranath Dasgupta examines the principal schools of thought that define Indian philosophy A unifying force greater than art literature religion or science Professor Dasgupta describes philosophy as the most important achievement of Indian thought arguing that an understanding of its history is necessary to appreciate the significance and potentialities of India s complex culture Volume I offers an examination of the Vedas and the Brahmanas the earlier Upanisads and the six systems of Indian philosophy *All I Want for Christmas is You* Lisa Mondello, 2014-02-28 Get into Christmas with this popular Contemporary Holiday Romance ALL I WANT FOR CHRISTMAS IS YOU by USA Today Bestselling author Lisa Mondello BOOK 1 in Fate with a Helping Hand Series Sometimes fate needs a little hand Santa Claus is going to have a rough season Lauren Alexander is raising her daughter alone Abandoned by her family for her decision to keep her daughter Kristen she has done a pretty good job for the last six years Or she thought she had That s why she is crushed when little Kristen gives up her wish for a toy or goodie and instead asks Santa for a present for her mother She wants Santa to bring a Daddy Delivering Daddies isn t Santa s bag But this Santa has a plan Kyle Preston knows what it is like to be abandoned too Luckily he found the support of loving adoptive parents and has turned himself into one of the most successful Real Estate developers in town Building a house is easy Building someone s trust is a whole other story But with a little helping hand a little Christmas magic can make all the difference in the world **Proclus: Commentary on Plato's Republic: Volume 1**, 2018-08-30 The commentary on Plato s Republic by Proclus d 485 CE which takes the form of a series of essays is the only sustained treatment of the dialogue to survive from antiquity This three volume edition presents the first complete English translation of Proclus text together with a general introduction that argues for the unity of Proclus Commentary and orients the reader to the use that the Neoplatonists made of Plato s Republic in their educational program Each volume is completed by a Greek word index and an English Greek glossary that will help non specialists to track the occurrence of key terms throughout the translated text The first volume of the edition presents Proclus essays on the point and purpose of Plato s dialogue the arguments against Thrasyarchus in Book I the rules for correct poetic depictions of the divine a series of problems about the status of poetry across all Plato s works and finally an essay arguing for the fundamental agreement of Plato s philosophy with the divine wisdom of Homer which is in Proclus view allegorically communicated through his poems *THE COMPLETE NICK ARMBRISTER POETRY COLLECTION Volume 1 1996 - 2013* Nick Armbrister, 2013-12-08 THE COMPLETE NICK ARMBRISTER POETRY COLLECTION Volume 1 covers it all Nick Armbrister s work from early 1996 right through to late 2013 An epic career of poems on many topics and views Much of his work has been published in the small press poetry scene over the years and in his previous books Also included here is new unpublished work This book will
