Listen!* Andrew S. Latham, 2024-02-01 How does analyzing video games as hypertexts expand the landscape of research for video game rhetoricians and games studies scholars This is the first book to focus on how hypertext rhetoric impacts the five canons of rhetoric and to apply that hypertext rhetoric to the study of video games It also explores how ludonarrative agency is seized by players seeking to express themselves in ways that game makers did not necessarily intend when making the games that players around the world enjoy This book takes inspiration from The Legend of Zelda a series which players all over the world have spent decades deconstructing through online playthroughs speedruns and glitch hunts Through these playthroughs players demonstrate their ability to craft their own agency independent of the objectives built by the makers of these games creating new rhetorical situations worthy of analysis and consideration Skyward 4-Book Boxed Set BRANDON.
