Researching the Military Helena Carreiras, Celso Castro, Sabina Frederic, 2016-03-02 Researching the Military focuses on the experiences of researchers who study the military around the world It explores the historical social institutional and personal factors that frame research and scrutinize the way knowledge in this area impacts society and policy More than merely analyzing research experiences yet necessarily including them it is also about the experiences of researchers their position with regard to the object of their studies the institutional context where they work and the way their research impacts the academic and policy making fields in the respective countries The common theme to the various chapters is reflexivity a conscious effort at addressing the conditions of research and the position of the researcher and the research participants in that interface By collecting diverse experiences of researchers from across the world this volume aims to enhance reflexivity in the field of military studies and to encourage the exchange of knowledge between the academic field and the military arena This book will be of much interest to students of military studies research methods sociology social anthropology and security studies in general

'Africa Forms the Key' Suryakanthie Chetty, 2021-01-04 This book examines the work of prominent South African geologist Alex Du Toit as a means of understanding the debate around continental drift both in segregation era South Africa and internationally It contextualises Du Toit's work within a particularly formative period of South African science from the paleoanthropological discoveries that sparked debates about the origins of humankind to Jan Smuts' own theory of holism Beyond South African scientific discoveries the book sets Du Toit's work against a backdrop of ideological struggles over space both domestically in terms of segregation and nationalism as well as internationally as South Africa sought to assert its position within the Commonwealth These debates were embodied by Du Toit's work on the theory of continental drift which put Africa and South Africa at the centre geologically and geographically The author also focuses on the divisions in geology caused by drift theory tracing the vigorous intellectual debate and dissent indicative of the ideological milieu within which scientific thought is constructed It traces the history of continental drift from its inception in the nineteenth century and later work of Alfred Wegener which was both elaborated upon and substantiated by Du Toit The study further focuses on Du Toit's research on continental drift in South African and South America and the geological fossil and climatological evidence used to bolster this

theory The World Factbook, 2016 *Contemporary Issues in South African Military Psychology* Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 *Contemporary Issues in South African Military Psychology* is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

Special Operations Success James D. Kiras, 2024-10-24 *Special Operations Success* establishes a new benchmark in military theory in this deeply analytic and innovative work It answers several pressing questions How successful have American special operations been over the past quarter century Are special forces fated to cycles of expansion and misuse Will special forces invariably exceed the authorities granted to them because of they are Is a general theory of special operations feasible given the range of activities and conditions that fall under the category Kiras work is based on two decades of practical teaching and consulting experience within different special operations communities and its analysis and conclusions are designed to inform practitioners policymakers educators and the general public The book develops a framework in the form of a theory comprising capabilities and control for the comprehensively evaluating special operations success and is divided into three parts Part I lays the foundation for a general theory of special operations Part II explores the two component parts of theory capabilities and control and Part III uses various aspects of the theory depending on available information to assess the success of special operations over a twenty year period in the United Kingdom South Africa and the United States

South Africa's Post-Apartheid Military Lindy Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world

The Handbook of African Defence and Armed Forces Evert Kleynhans, Marco Wyss, 2025-03-01 *The Handbook of African Defence and Armed Forces* provides the first in depth and multifaceted analysis of

the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations

States, the Law and Access to Refugee Protection Maria O'Sullivan, Dallah Stevens, 2017-03-23 This timely volume seeks to examine two of the most pertinent current challenges faced by asylum seekers in gaining access to international refugee protection first the obstacles to physical access to territory and second the barriers to accessing a quality asylum procedure which the editors have termed access to justice To address these aims the book brings together leading commentators from a range of backgrounds including law sociology and political science It also includes contributions from NGO practitioners This allows the collection to offer interdisciplinary analysis and to incorporate both theoretical and practical perspectives on questions of immense contemporary significance While the examination offers a strong focus on European legal and policy developments the book also addresses the issues in different regions Europe North America the Middle East Africa and Australia Given the currency of the questions under debate this book will be essential reading for all scholars in the field of asylum law

Civil Society and Transitional Justice in Asia and the Pacific Claire Cronin, Lia Kent, JoAnne Wallis, 2019-01-01 Over the last two decades civil society has helped catalyse responses to the legacies of violent conflicts and oppressive political regimes in Asia and the Pacific Civil society has advocated for the establishment of criminal trials and truth commissions monitored their operations and pushed for take up of their recommendations It has also initiated community based transitional justice responses Yet there has been little in depth examination of the breadth and diversity of these roles This book addresses this gap by analysing the heterogeneity of civil society transitional justice activity in Asia and the Pacific Based upon empirically grounded case studies of Timor Leste Indonesia Cambodia Myanmar Bougainville Solomon Islands and Fiji this book illustrates that civil society actors can have different and sometimes competing priorities resources and approaches to transitional justice Their work is also underpinned by diverse understandings of justice By reflecting on the richness of this activity this book advances contemporary debates about transitional justice and civil society It will also be a valuable resource for scholars and practitioners working on Asia and the Pacific

Replicating & Reproducing Policing Research Khadija Monk, Jacek Koziarski, 2024-04-30 This book addresses the need for policing scholarship to strengthen its empirical cumulative knowledge base by replicating and reproducing earlier studies The chapters in this volume advance policing research by replicating and reproducing earlier studies investigating the generalizability of research findings and making data and research methods available to other researchers to encourage scientific exploration of previous research findings Each chapter addresses important scientific goals of validity reliability and generalizability which build our cumulative knowledge of what is known in policing research

ultimately informing policymaking The book offers insights into why replicating and reproducing policing scholarship is critical from emphasizing the importance of making data and study material publicly available to facilitate replications and reproductions to reproducing studies in new contexts and cautioning against making policy making decisions based on studies that have not been replicated This volume highlights the immense value in shifting researchers priorities even slightly to focus less so on originality and innovation to make room for replications and reproductions thereby shedding light on how true empirical knowledge on policing and police practice is dependent on it This book was originally published as a special issue of Police Practice and Research **Irregular Soldiers and Rebellious States** Michael P. Noonan, 2021-04-15

With the wars in Afghanistan and Iraq seemingly drawing down and with new calls to focus on the threats of great power competition posed by states such as China and Russia on the rise what will happen to U S capabilities for dealing with conflicts that occur in messy political military environments Irregular Soldiers and Rebellious States offers for both expert and non expert audiences a useful typology and background for examining interventions where U S advisors and forces operating on a small scale basis will either work with a foreign government to help defend it from threats of subversion or insurgency known as Foreign Internal Defense or to assist insurgents or guerrilla forces in countering a hostile regime known as Unconventional Warfare It uses nine examples to illustrate how the U S and the British in one case used such capabilities in either limited or assertive ways to defend El Salvador Philippines Sahel and Dhofar or counter Angola Nicaragua northern Iraq and Afghanistan foreign governments Placing such interventions within the broader contexts of American military history and the cultures of the armed forces it offers three key findings and six policy prescriptions for wisely and judiciously using these capabilities in the present and future *Africa in World Politics* John W Harbeson, Donald Rothchild, 2018-04-24 The sixth edition of Africa in World Politics focuses on challenges African states face in constructing viable political economies in contexts both of familiar domestic challenges and an unprecedented mix of engagements opportunities and threats emanating from a turbulent and rapidly changing international order This text including new chapters on Nigeria and the influence of party politics on economic development remains an invaluable resource for students of African politics seeking to navigate the continent s complex political and economic landscapes Revised chapters consider both the extent and the limits of continued healthy growth rates in many countries the impacts of investments by China and other BRICS countries plateaus and some reversals in progress on human rights and democratization dimensions of chronic state weakness deepened by insurgencies including some that are connected to Al Qaeda and the Islamic State and peacebuilding efforts struggling to uphold responsible sovereignty in the Sudans the Great Lakes region and elsewhere

Geopolitics and Development Marcus Power, 2019-01-25 Geopolitics and Development examines the historical emergence of development as a form of governmentality from the end of empire to the Cold War and the War on Terror It illustrates the various ways in which the meanings and relations of development as a discourse an apparatus and an

aspiration have been geopolitically imagined and enframed The book traces some of the multiple historical associations between development and diplomacy and seeks to underline the centrality of questions of territory security statehood and sovereignty to the pursuit of development along with its enrolment in various b ordering practices In making a case for greater attention to the evolving nexus between geopolitics and development and with particular reference to Africa the book explores the historical and contemporary geopolitics of foreign aid the interconnections between development and counterinsurgency the role of the state and social movements in re imagining development the rise of re emerging donors like China India and Brazil and the growing significance of South South flows of investment trade and development cooperation Drawing on post colonial and postdevelopment approaches and on some of the author s own original empirical research this is an essential critical and interdisciplinary analysis of the complex and dynamic political geographies of global development Primarily intended for scholars and post graduate students in development studies human geography African studies and international relations this book provides an engaging invaluable and up to date resource for making sense of the complex entanglement between geopolitics and development past and present
