Unisa Application Forms For Admission For 2016:

The Globalization of Legal Education Bryant G. Garth, Gregory C. Shaffer, 2022 Legal academics and practitioners in recent decades increasingly emphasize the so called globalization of legal education The diffusion of the Juris Doctor JD degree to Australia Hong Kong Japan and South Korea as well as the advent of a very similar Juris Master JM degree in China and a shift in the late 1980s and beyond to a new US influenced format in India exemplify shifts toward US legal education practices Flood 2014 The global and Americanizing trend is evident on the web sites of law schools around the globe with many law schools competing to be the most global in terms of their faculty curricula teaching methods and students Less pronounced but related to the literature on legal globalization is that on transnationalization and transnational processes which is a strong component of the move toward globalization in legal education As this book shows if we look to see what is celebrated as part of globalized law schools and faculties we see increased cross border flows of professors and students teaching of transnational legal subjects development of particular forms of teaching practice such as legal clinics explicit focus on transnational rankings and transnationalized scholarly communities sharing teaching and research methods and approaches across domains of law Biological Activity of Natural Secondary Metabolite Products Toshio

Morikawa, 2018-09-20 This book is a printed edition of the Special Issue Biological Activity of Natural Secondary Metabolite Products that was published in IJMS ECEL 2019 18th European Conference on e-Learning Rikke Ørngreen, Bente Meyer, Mie Buhl , 2019-11-07

Modelling and Intelligent Optimisation of Production Scheduling in VCIM Systems Son Duy Dao, 2017-12-27 This thesis reports on an innovative production scheduling model for virtual computer integrated manufacturing VCIM systems It also describes a robust genetic algorithm for production scheduling in VCIM systems The model which is the most comprehensive of its kind to date is not only capable of supporting collaborative shipment scheduling and handling multiple product orders simultaneously but also helps cope with multiple objective functions under uncertainties In turn the genetic algorithm characterised by an innovative algorithm structure chromosome encoding crossover and mutation is capable of searching for optimal suboptimal solutions to the complex optimisation problem in the VCIM production scheduling model described Lastly the effectiveness of the proposed approach is verified in a comprehensive case study ICCWS 2023 18th International Conference on Cyber Warfare and Security Richard L.

Wilson, Brendan Curran, 2023-03-09 **Developing and Supporting Multiculturalism and Leadership Development**

Enakshi Sengupta, Patrick Blessinger, Mandla Makhanya, 2020-09-23 The modern notion of humanism centres on the core qualities in all humans agency dignity and development primarily concerned with addressing contemporary human needs concerns and problems This book has an interdisciplinary focus on the development of human capacity at all levels with the view that higher education is well suited for all **Students' participation in university governance in South Africa**

Vuyo Mthethwa, 2023-03-01 The purpose of this book is to examine the academic experiences of students who participated in

university governance at South African universities Scrutiny is placed on the alignment of student representative council constitutions and university statutes with the actual experiences students had in discharging their roles in governance and in the way this impacted their academic progress Through a multi site case study design semi structured interviews were conducted with members of the student representative council who participated in university governance and supported by document analysis and observations to generate the data The study adopted Tinto s Integration Theory and Astin s Theory of Involvement as the two frameworks are based on the relationship between students extra curricular activity and their academic experiences The study invokes a greater awareness of students as major stakeholder in governance and informs policies and practices that may better serve students academic experiences The study will contribute to the understanding of cooperative governance principles while drawing from the perspective of the students on their understanding limitations and challenges in discharging their roles in university governance

Learning Analytics in Open and Distributed Learning Paul

Prinsloo, Sharon Slade, Mohammad Khalil, 2022-05-13 This book explores and further expands on the rich history of theoretical and empirical research in open and distributed learning and addresses the impact of the data revolution and the emergence of learning analytics on this increasingly diverse form of educational delivery Following an introductory chapter that maps the book s conceptual rationale the book discusses the potential challenges and practices of learning analytics in various open and distributed contexts A concluding chapter briefly summarises the chapters before providing a tentative future research agenda for learning analytics in open and distributed environments

world particularly in Asia and Africa With the demand for climate change action on the increase there have also been growing calls for the big carbon emitters to drastically cut their emissions and invest in clean energy to save the planet by following development pathways making emissions stay under the 1.5°C increase in temperature *Open Access Implications for Sustainable Social, Political, and Economic Development* Jain, Priti,Mnjama, Nathan,Oladokun, O.,2020-09-18 Open access publishing can be used as a strategic tool to avail access to information and achieve universal literacy Open access has gained importance over the past 15 years by making knowledge available to all without any barrier of affordability or restrictions on using this knowledge to inform and develop Open access contributes to scientific research excellence disseminates research results to a wider community and promotes multi disciplinary and collaborative research Issues of sustainable development and open access are major concerns in librarianship and information management particularly as the international library and information management community is focusing on how to contribute to the Sustainable Development Goals *Open Access Implications for Sustainable Social Political and Economic Development* is a pivotal reference source that provides an understanding of the concept of open access within the context of social political and economic development and deliberates the critical issues and challenges that face the implementation of open access and its impact on the global economy and sustainable development While highlighting a broad range of topics including digital scholarship open data and ethics this book is ideally designed for librarians information science professionals government officials policymakers academicians researchers and students *Social Work and Disasters* Margaret Alston,Tricia Hazeleger,Desley Hargreaves,2019-01-11 Disasters are increasing in frequency and intensity across the world causing significant destruction to individuals and communities Yet many social workers are ill prepared for the demands of this field of practice This book discusses the role of social workers in disaster work including in disaster preparedness during the disaster and in post disaster practice It addresses the complexities of social work disaster practice noting the need for social workers to understand the language of trauma and to respond effectively The authors discuss disaster theory and practice drawing out elements of practice at macro meso and micro levels and at various stages of the disaster They examine the factors that shape vulnerability in disasters and draw out the possibility of post traumatic growth The final section discusses strategies for self care in disaster practice noting the organisational and personal strategies that can be adopted to facilitate the wellbeing of workers in the field With real life case studies from top scholars in the field this book is essential reading for social work practitioners working in the field of disaster practice as well as social work students and academics It will also be useful to other health professionals who wish to understand this field of practice *Unisa English Studies* University of South Africa. Department of English,1987 *Engaging with Fashion* Federica Carlotto,Natalie McCreesh,2018-11-26 This book is a modern exploration of how we engage with fashion today Through a series of articles this book shows the ways through which we can approach fashion The articles are organized around the following six

sections marketing consuming educating communicating embodying and positioning each with a mix of research approaches and strategies From sustainability and consumerism to street style and street food From how fashion is taught across the globe to how fashion is communicated through photography and the media We invite the readers to be curators themselves and to create their own augmented knowledge of fashion by reading the varied themes in this book Contributors are Claire Allen Deidra Arrington Naomi Braithwaite Jill Carey Federica Carlotto Karen Dennis Doris Domoszlai Lindsay E Feeny N dia Fernandes Jacque Lynn Foltyn Alessia Grassi Chris Jones Lan Lan Peng Liu Mario Matos Ribeiro Natalie C McCreesh Alex McIntosh Alice Morin Nolly Moyssi Maria Patsalosavvi Laura Petican Jennifer Richards Susanne Schulz Ines Simoes Helen Storey Steve Swindells Stephen Wigley Gaye Wilson and Cecilia Winterhalter Intersections in Language Planning and Policy Jean Fornasiero, Sarah M. A. Reed, Rob Amery, Eric Bouvet, Kayoko Enomoto, Hui Ling Xu, 2020-09-28 This volume encompasses the range of issues encountered by language scholars who teach and research in departments of languages and cultures within the higher education system predominantly in Australia but touching other universities worldwide Related studies on language planning methodology or pedagogy have focused on one or more of these same issues but rarely on their totality Intersections as a metaphor running discreetly through the essays in this volume connects them all to a lived reality The field of languages and cultures as it is practised and reflected upon in Australian universities is essentially an interdisciplinary and interconnecting space one in which linguistic and disciplinary diversities meet and join forces rather than collide or disperse along different pathways The international and local studies featured here focus on language planning new pedagogies and language reclamation and link to meeting points and commonalities They show that language scholars are increasingly finding themselves on common ground as they tackle issues of policy and practice affecting their field whether within their institutions within the tertiary system or within the framework of government policy **ICEL 2017 - Proceedings of the 12th International Conference on e-Learning** Laurie O. Contemporary Issues on Governance, Conflict and Security in Africa Adeoye O. Akinola, 2023-05-25 This edited volume reflects on some of the important discussions on the trends of governance conflict and security in Africa It explores some of the emerging concerns and offers a holistic understanding of the remote and immediate causes of the conflict and how the neo colonial African states have been structured in a manner that makes violent conflict inevitable The book thereby provides an overview of Africa s security challenges and proffers some sustainable policy options for curtailing lawlessness and armed conflict on the continent Literature is exhaustive about the nexus between governance

peace and security however discourse on the impact of new conflict on governance has been scant Understanding these new trends has become a necessity and precondition for sustainable development as reflected in both the African Union AU Agenda 2063 and the United Nations UN Sustainable Development Goals SDGs
