used as a reference by scholars scientists and practitioners who collect scientific and technical contributions concerning models tools technologies and applications in the field of information systems and management science This book shows how to exploit information systems in a technology rich management field *Social Memory as a Force for Social and Economic Transformation* Muxe Nkondo,2023-02-01 This volume of essays is a reflection on social memory as a force for social and economic transformation Written by scholars and organic intellectuals it focuses on the uses of social memory in particular the conflict between the legacies of colonialism and the movement for fundamental change The content addresses both experts and ordinary citizens alike with a view to advancing discourse on where we are right now and how we move on from here to achieve meaningful transformation As scholars and public representatives with a deep understanding of the social economic and political dynamics of modern history of South Africa the contributors offer their unique perspectives and reflections on history politics economics culture education ethics and the arts as well as the links that bind these aspects into an ecology of ideas and attitudes New Histories of South Africa's Apartheid-Era Bantustans Shireen Ally,Arianna Lissoni,2017-06-26 This book features new research on the history of apartheid South Africa s former bantustans and their legacies in the modern world With an introduction by renowned historian William Beinart the individual chapters written by a new generation of scholars address a number of themes public administration health and education culture ethnicity and politics ethnic nationalism historiographical reflections and personal recollections by three former public servants This book was originally published as a special issue of the South African Historical Journal *FAO Economic and Social Development Paper* ,1981 *Developing Africa's Financial Services* Dana T. Redford,2017-05-11 Financial services are an essential element in powering entrepreneurial activity beyond resource extraction in Africa This book examines the macro trends and highlights inspiring success stories of entrepreneurial financial sector ventures that are making a lasting contribution to the economic development of various sub Saharan African countries Economic and Policy Implications of Artificial Intelligence Domenico Marino,Melchiorre A. Monaca,2020-05-20 This book presents original research articles addressing various aspects of artificial intelligence as applied to economics law management and optimization The topics discussed include economics policies finance law resource allocation strategies and information technology Combining the input of contributing professors and researchers from Italian and international universities the book will be of interest to students researchers and practitioners as well as members of the general public interested in the economic and policy implications of artificial intelligence **Socio-Economic Rights in South Africa** Malcolm Langford,Ben Cousins,Jackie Dugard,Tshepo Madlingozi,2013-11-18 The embrace of socio economic rights in South Africa has featured prominently in scholarship on constitution making legal jurisprudence and social mobilisation But the development has attracted critics who claim that this turn to rights has not generated social transformation in practice This book sets out to assess one part of the puzzle and asks what has been the role and impact of socio economic strategies used by civil society actors Focusing on a range of socio

economic rights and national trends in law and political economy the book's authors show how socio economic rights have influenced the development of civil society discourse and action The evidence suggests that some strategies have achieved material and political impact but this is conditional on the nature of the claim degree of mobilisation and alliance building and underlying constraints

South African Economy Vusi Gumede,Santos Bila,Mduduzi Biyase,Shonisani Chauke,Sodiq Arogundade,2024-05-15 The South African economy has largely performed below its potential Although the size of the South African economy has significantly increased since 1994 its performance has lagged behind other comparable economies and has even been overtaken by Nigeria as the largest economy in Africa Unemployment income inequality and poverty have remained high since 1994 In the past decade South African economic performance has been so poor that it has resulted in declining per capita incomes In this study Vusi Gumede and his co authors offer a comprehensive analysis of the South African economy since 1994 dealing with many important issues ranging from its history to its political travails in an effort to provide better understanding and find possible solutions to ensuring inclusive growth

Social Suffering in the Neoliberal Age Karen Soldatic,Louise St Guillaume,2022-04-27 This book provides a rich synthesis of research and theory of nascent and emergent critically engaged work examining changing welfare structures regimes and technologies and the social suffering that is generated in everyday lives By rigorously examining social security restructuring with the turn to austerity governance and its daily practices of managing regulating and subordinating individuals peoples and communities this collection delineates the machinery of state power and logics designed to manage contain and control the lives of some of the most poorest and marginalised citizens who are reliant on social welfare income payments A core strength of the book is first its unpacking of austerity governance across diverse communities and second the elevation of community resistance and mobilisation against the very measures of austerity Combined the work maps out the logics of state power and everyday practices of embedded contestation and confrontation Using the case study of Australia to discuss sociolegal recategorisations automation of welfare governance technologies of policy design and delivery conditionality and systems of penalisation this book will be of interest to all scholars and students of sociology critical theory social policy social work and disability studies Indigenous studies and settler colonialism

Fighting Poverty Haroon Borat,2001 Reviewed by Benjamin Roberts in Transformation No 50 2002 pp 105 113

Development In Modern Africa Martin S. Shanguhya,Toyin Falola,2019-10-08 Development in Modern Africa Past and Present Perspectives contributes to our understanding of Africa's experiences with the development process It does so by adopting a historical and contemporary analysis of this experience The book is set within the context of critiques on development in Africa that have yielded two general categories of analysis skepticism and pessimism While not overlooking the shortcomings of development the themes in the book express an optimistic view of Africa's development experiences highlighting elements that can be tapped into to enhance the condition of African populations and their states By using case studies from precolonial colonial and postcolonial Africa contributors to

the volume demonstrate that human instincts to improve material social and spiritual words are universal They are not limited to the Western world which the term and process of development are typically associated with Before and after contact with the West Africans have actively created institutions and values that they have actively employed to improve individual and community lives This innovative spirit has motivated Africans to integrate or experiment with new values and structures challenges and solutions to human welfare that resulted from contact with colonialism and the postcolonial global community The book will be of interest to academics in the fields of history African studies and regional studies

Sustainability of Scholarly Information G. G. Chowdhury, 2014-07-11 This is the first book to discuss the sustainable development of digital scholarly information in three key aspects economic social and environmental sustainability Taking as its starting point the premise that digital information systems and services form the backbone of a knowledge society and digital economy this book explores the challenges of ensuring sustainability of information in an evolving digital world Author Gobinda Chowdhury attempts to find answers to five key questions in the context of scholarly information systems and services How sustainable are today s information systems and services How can we ensure the sustainability of information throughout its lifetime Can today s information systems and services face the new economic challenges while providing easy and equitable access to information for everyone Can the level and quality of information services be sustained over a long period of time Can all these activities be performed in an environment friendly manner Chowdhury takes the approach of a research monograph based on literature review and meta analysis of the issues and challenges associated with the various forms of sustainability of digital information systems and services He proposes new models for study and research based on the critical analysis of developments in related areas Illustrated with case studies and informed by the latest research the chapters cover Economic sustainability of information Environmental sustainability of information Social sustainability of information Sustainability of digital libraries and information services Emerging issues and policies Sustainability of information models Research issues and challenges Readership This cutting edge text is a must read for those involved in setting policy and direction for information institutions digital library managers and developers researchers and students on LIS and digital information courses

African Political Economy in the Twenty-First Century Ernest T. Aniche, Stephen N. Azom, Emeka C. Iloh, 2023-09-12 African Political Economy in the Twenty First Century Theories Perspectives and Issues edited by Emeka C Iloh Ernest T Aniche and Stephen N Azom fills the gap in the discourses on African political economy from an African perspective Since the end of colonialism in the second half of the twenty first century a wide ranging debate has opened on the future of African development and the nature and character of its political economy especially as it concerns its web of relationships in the international political and economic system Two decades into the twenty first 21st century the debate still rages on and is likely to continue for a long time This book contributes to the debate by addressing the important question of how African countries can strategically and tactically approach global political economy at multilateral

continental and regional levels in view of North South versus South South configurations African Political Economy in the Twenty First Century further suggests how African countries can effectively utilize global forces to Africa s advantage in advancing domestic regional and continental development objectives Economic Growth and Development in the Tropics Sook Rei Tan,Haejin Jang,Jacob Wood,2024-02-06 The living standards and scale of development around the world are vastly unequal One notable observation is that much of the poverty stricken area is located between the tropics of Cancer and Capricorn By contrast affluent nations are situated in more temperate zones Such a phenomenon gives weight to the geography hypothesis that seeks to explain the occurrence of global economic inequality by placing an emphasis on the importance of natural elements such as location and climate in determining the economic conditions of a nation This book concentrates exclusively and in depth on the key economic phenomena and factors which shape tropical economies today It examines contemporary economic problems confronting the tropical countries and provides policy recommendations that align with the United Nations Sustainable Development Goals set in the 2030 Agenda It contains research works and case studies of tropical economies that are related to the area of development and environment economics The book s themes range from economic growth poverty reduction income inequality economic globalization international trade capital flow financial development and institutional development to environmental sustainability within the Tropics Recognizing the dynamism and diversity of the tropics the book encompasses empirical and policy analyses that address the key economic issues and challenges in the region so as to provide an important platform from which new policymaking initiatives can flourish This book will draw readership primarily from the fields of economics and public policy particularly under the subject areas of development and environment economics as well as discussions in the sustainability policy space Open Access Implications for Sustainable Social, Political, and Economic Development Jain, Priti,Mnjama, Nathan,Oladokun, O.,2020-09-18 Open access publishing can be used as a strategic tool to avail access to information and achieve universal literacy Open access has gained importance over the past 15 years by making knowledge available to all without any barrier of affordability or restrictions on using this knowledge to inform and develop Open access contributes to scientific research excellence disseminates research results to a wider community and promotes multi disciplinary and collaborative research Issues of sustainable development and open access are major concerns in librarianship and information management particularly as the international library and information management community is focusing on how to contribute to the Sustainable Development Goals Open Access Implications for Sustainable Social Political and Economic Development is a pivotal reference source that provides an understanding of the concept of open access within the context of social political and economic development and deliberates the critical issues and challenges that face the implementation of open access and its impact on the global economy and sustainable development While highlighting a broad range of topics including digital scholarship open data and ethics this book is ideally designed for librarians information science professionals

Unisa Past Exam Papers Economics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Unisa Past Exam Papers Economics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Unisa Past Exam Papers Economics has opened up a world of possibilities. Downloading Unisa Past Exam Papers Economics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Unisa Past Exam Papers Economics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Unisa Past Exam Papers Economics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Unisa Past Exam Papers Economics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Unisa Past Exam Papers Economics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Unisa Past Exam Papers Economics has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Unisa Past Exam Papers Economics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
