Unisa Short Courses 2014:

2014 International Conference on Advanced Education and Management (ICAEM2014) ,2014-02-13 The ICAEM2014 aims to bring together researchers educators and students from around the world in both industry and academia for sharing the state of art research results and applications for exploring new areas of research and development and for discussing emerging issues on education and management fields We received a total of 312 submissions from various parts of the world The Technical Program Committee worked very hard to have all papers reviewed before the review deadline The final technical program consists of 92 papers There are one keynote speech and 2 invited sessions The proceedings were published by DEStech Publications Inc and will submitted to Ei Compendex databases for indexing We would like to mention that due to the limitation of the conference venue capacity we are not able to include many fine papers in the technical program Our apology goes to those authors Contested Issues in Training Ministers in South Africa Marilyn Naidoo,2015-07-01 The purpose of this book is to engage challenging issues that are called into question during ministerial training This is a volume presenting eleven contested issues that attend to concerns related to structures processes knowledge and practices within theological education Contributors offer keen insights about how to think differently and more complexly about these matters within a changing South Africa It is an affirmation of the multiple voices locations identities and positions within South African theological education as a starting point for transformative theological education It is hoped that these reflections can enable future ministers to confront the question of how to be in the world with the required competence integrity and professional identity to meet the needs of church and society Footprints McLean Sibanda,2021-09-06 Footprints is a captivating story about intellectual property IP It speaks to its role in society trade industry and economy and expounds on the actual meaning of IP The book lays a solid foundation for innovators entrepreneurs businesses and nations to realise their full potential through IP policy legislation use and practices McLean Sibanda shares his personal story together with stories and testimonies of fellow travellers taking us through their journey into the field of IP He meticulously recounts South Africa s path in transforming the management of IP emanating from publicly financed research and development R D development of critical human capital and other infrastructure to ensure effective IP commercialisation and technology transfer Footprints is a timely masterpiece given IP issues in Africa s scramble for Covid 19 vaccines and implementation of the agreement establishing the African Continental Free Trade Area AfCFTA The book provides strategies of how African countries can use IP and innovation to develop industries to ensure health security and trading of goods that can benefit from the AfCFTA Narrated through a series of significant moments Footprints demonstrates the importance of vision solid foundation collaboration champions and intentional steps for economic transformation With glimpses into how countries such as China and Korea used IP to develop their economies this book makes a compelling case for embracing IP increased R D investment relevant human capital and appropriate use of IP in the

development of new products and services necessary for knowledge based and industrialised economies Footprints is a must read for any academic aspiring intellectual property scholar policy maker economist development activist entrepreneur researcher innovator professional and technology transfer specialist Intellectual property is everywhere around us and impacts our lives For entrepreneurs and businesses alike intellectual property is about value creation it is the insurance you need for when you succeed McLean Sibanda

Universities and Sustainable Communities: Meeting the Goals of the Agenda 2030 Walter Leal Filho, Ubiratã Tortato, Fernanda Frankenberger, 2019-09-25 The book showcases examples of university engagement in community initiatives and reports on the results from research and from a variety of institutional projects and programmes As a whole the book illustrates how actors at the community microlevel and other levels meso and macro can make valuable and concrete contributions to the implementation of the Sustainable Development Goals SDGs and more specifically to achieving the objectives defined at the 2030 Agenda for Sustainable Development It is one of the outcomes of the Second World Symposium on Sustainability Science which was jointly organised by the Pontifícia Universidade Católica do Paraná Brazil the Research and Transfer Centre Sustainable Development and Climate Change Management and the European School of Sustainability Science and Research at Hamburg University of Applied Sciences Germany in cooperation with the Inter University Sustainable Development Research Programme IUSDRP

Workforce Development Roger Harris, Tom Short, 2013-11-19 This book captures the essence of current workforce development perspectives and draws on extensive global research to uncover a range of issues confronting organisations Taking primarily an Australian outlook after the global financial crisis and tracing the progress of a national industry sector each chapter delves into a major area of interest for leaders Overall the authors make the case that workforce development is an amalgam of activities influenced by context politics and economic development As the world becomes increasingly connected and mobile workforce development is proving to be a major activity for organisations because it impacts their longer term survival and growth To stay ahead successful organisations focus on attracting building engaging and retaining talented people However in a financially turbulent era where strategy changes quickly workforce development must not only plan and build the capabilities of people at work but also contribute to making employment more socially sustainable for a better world This book provides a thought provoking collection of scholarly work for business leaders human resource practitioners and academics working in adult education business psychology and social science disciplines At the same time it adopts an accessible style for students and others who want to know more about the development of people at work

Workforce Development Tom Short, Roger Harris, 2014-07-02 This book is the second in a series of two volumes that reviews a broad range of strategies and practices undertaken as workplace development activities in a post global financial crisis period when organisational volatility and survival were foremost in the minds of leaders Drawing mainly from a wide range of major research projects conducted Australia and with some contributions from international authors this second book is a

compilation of contemporary themes and applications that were developed from individual research projects During the global financial crisis the Australian economy out performed many other developed countries but it was not immune from international pressures such as global competition market fluctuations and an increasingly mobile workforce These issues are reflected in many of the chapters and the combined work will inform readers about the major workforce development challenges facing public and private sector organisations The book blends relevant literature with rich empirical evidence gathered from large and small organisations and includes application tools developed by researchers who are experts in their field This book will be of scholarly interest to a broad audience of academics industry leaders human resource practitioners and students in adult education business psychology and social science disciplines Moreover the book will be of interest to education and training professionals management consultants and more generally people who follow the evolution of work and its impact on contemporary society

The Evolving Curriculum in Interpreter and Translator Education David B. Sawyer, Frank Austermühl, Vanessa Enríquez Raído, 2019-06-15 The Evolving Curriculum in Interpreter and Translator Education Stakeholder perspectives and voices examines forces driving curriculum design implementation and reform in academic programs that prepare interpreters and translators for employment in the public and private sectors The evolution of the translating and interpreting professions and changes in teaching practices in higher education have led to fundamental shifts in how translating and interpreting knowledge skills and abilities are acquired in academic settings Changing conceptualizations of curricula processes of innovation and reform technology refinement of teaching methodologies specific to translating and interpreting and the emergence of collaborative institutional networks are examples of developments shaping curricula Written by noted stakeholders from both employer organizations and academic programs in many regions of the world the timely and useful contributions in this comprehensive international volume describe the impact of such forces on the conceptual foundations and frameworks of interpreter and translator education

ECKM2014-Proceedings of the 15th European conference on Knowledge Management Carla Vivas, 2014-10-01 The world economy in which we are living poses challenges that lead to a realization that more of the same will be difficult to sustain This provides an illustration that in order to create new or modified knowledge practices strengthen customer relationships and thus positively influence customer satisfaction organizations must be flexible in configuring combining knowledge and knowledge structures in a way that is appropriate for delivering value to the customer It must simultaneously develop effective strategies for updating the knowledge of its staff members necessary for underpinning the creation and delivery of appropriate knowledge services Thus unlearning forgetting becomes a critical means for organizational success The ECKM community of scholars has already initiated dialogue that links its particular strengths to innovation issues This conference aims to further that dialogue by attracting leading edge work that leverages the ECKM community's in depth understanding of learning and unlearning to better understand knowledge management Our aim is to stimulate breakthrough research

streams linking learning unlearning and knowledge management How can organizations tailor use and extend techniques and tools from knowledge management for improving their business practices and processes Building upon existing work on knowledge management KM and organizational learning the conference will promote interdisciplinary approaches from computer science and information systems business management and organization science as well as cognitive science Emphasis will be put on systematic learning from experience KM tools and KM success factors A special interest belongs to knowledge management initiatives which are lightweight i e do not place considerable additional burden on users and KM experts allow an incremental adoption i e do not require large up front investment before any return of investment is at least visible and are flexible regarding frequent changes in experts and topics Continuing the success of the ECKM conference series since 2000 the 2015 conference will provide an international communication forum bringing together academia and industry for discussing the progress made and addressing the challenges faced by continuous learning in knowledge intensive organizations

ECRM2015-Proceedings of the 14th European Conference on Research Methods 2015 Dr Vincent Cassar, Dr Frank Bezzina, 2015-06-01 Complete proceedings of the 14th European Conference on Research Methodology for Business and Management Studies Valletta Malta Published by Academic Conferences and Publishing International

ICEL 2017 - Proceedings of the 12th International Conference on e-Learning Laurie O. Campbell, Richard Hartshorn, 2017

The Political Economy of Xenophobia in Africa Adeoye O. Akinola, 2017-11-13 This book analyzes the phenomenon of xenophobia across African countries With its roots in colonialism which coercively created modern states through border delineation and the artificial merging and dividing of communities xenophobia continues to be a barrier to post colonial sustainable peace and security and socio economic and political development in Africa This volume critically assesses how xenophobia has impacted the three elements of political economy state economy and society Beginning with historical and theoretical analysis to put xenophobia in context the book moves on to country specific case studies discussing the nature of xenophobia in Nigeria South Africa Zambia Ghana and Zimbabwe The chapters furthermore explore both violent and non violent manifestations of xenophobia and analyze how state responses to xenophobia affects African states economies and societies especially in those cases where xenophobia has widespread institutional support Providing a theoretical understanding of xenophobia and proffering sustainable solutions to the proliferation of xenophobia in the continent this book is of use to researchers and students interested in political science African politics peace studies security and development economics as well as policy makers working to eradicate xenophobia in Africa

CLADAG 2021 BOOK OF ABSTRACTS AND SHORT PAPERS Giovanni C. Porzio, Carla Rampichini, Chiara Bocci, 2021 The book collects the short papers presented at the 13th Scientific Meeting of the Classification and Data Analysis Group CLADAG of the Italian Statistical Society SIS The meeting has been organized by the Department of Statistics Computer Science and Applications of the University of Florence under the auspices of the Italian Statistical Society and the International Federation of Classification Societies IFCS CLADAG is a member of the IFCS a federation of national regional and linguistically based classification societies It is a non profit non political scientific organization whose aims are to further classification research

Enemy of the People Adriaan Basson, Pieter du Toit, 2017-11-07 *Enemy of the People* is the first definitive account of Zuma's catastrophic misrule offering eyewitness descriptions and cogent analysis of how South Africa was brought to its knees and how a people fought back When Jacob Zuma took over the leadership of the ANC one muggy Polokwane evening in December 2007 he inherited a country where GDP was growing by more than 6% per annum a party enjoying the support of two thirds of the electorate and a unified tripartite alliance Today South Africa is caught in the grip of a patronage network the economy is floundering and the ANC is staring down the barrel of a defeat at the 2019 general elections How did we get here Zuma first brought to heel his party Africa's oldest and most revered liberation movement subduing and isolating dissidents associated with his predecessor Thabo Mbeki Then saw the emergence of the

tenderpreneur and those attempting to capture the state as well as a network of family friends and business associates that has become so deeply embedded that it has in effect replaced many parts of government. Zuma opened up the state to industrial scale levels of corruption causing irreparable damage to state enterprises, institutions of democracy and the ANC itself. But it hasn't all gone Zuma's way. Former allies have peeled away. A new era of activism has arisen and outspoken civil servants have stepped forward to join a cross section of civil society and a robust media. As a divided ANC squares off for the elective conference in December where there is everything to gain or to lose, award winning journalists Adriaan Basson and Pieter du Toit offer a brilliant and up to date account of the Zuma era.

Whispering the Secrets of Language: An Emotional Quest through **Unisa Short Courses 2014**

In a digitally-driven earth wherever displays reign great and quick interaction drowns out the subtleties of language, the profound strategies and mental nuances concealed within words frequently move unheard. Yet, set within the pages of **Unisa Short Courses 2014** a captivating fictional treasure blinking with organic feelings, lies an extraordinary quest waiting to be undertaken. Written by a skilled wordsmith, that charming opus encourages readers on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very material of each and every word. Unisa Short Courses 2014 Introduction

In today's digital age, the availability of Unisa Short Courses 2014 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Unisa Short Courses 2014 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Unisa Short Courses 2014 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Unisa Short Courses 2014 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Unisa Short Courses 2014 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Unisa Short Courses 2014 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Unisa Short Courses 2014 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Unisa Short Courses 2014 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Unisa Short Courses 2014 books and manuals for download and embark on your journey of knowledge?

FAQs About Unisa Short Courses 2014 Books

1. Where can I buy Unisa Short Courses 2014 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
