Soul on Fire Peter Calhoun, 2007-06-01 Soul on Fire is a magical collection of stories describing the awakening of spiritual powers of an Episcopal priest turned shaman powers that have usually been ascribed to Eastern masters of traditional shamans It is about the quest for lost knowledge and the powers that Christ himself once promised Within these pages we learn about the Path of Return to our wondrous Earth as a means by which we can reclaim our original soul powers Soul on Fire is an inspirational guide and must read for long time seekers and those just beginning their journey alike It may just be in a genre of its own At a time when old modalities no longer seem to be working for many people the stories in this book reveal a different way of thinking feeling and being You won't be able to read this book and still perceive the world in the same way
