Soul-surgery Howard Arnold Walter, Ch. D. Thompson, 1937 *Soul Surgery. Some Thoughts on Incisive Personal Work ... Sixth Edition* Howard Arnold WALTER, 1952 *Why Early A.A. Succeeded* Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program

He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes

Changed by Grace Glenn Chesnut, 2006-08 Victor C Kitchen was a New York City advertising executive who wrote one of the Oxford Group s most important books He also went to the same Oxford Group meetings as Bill Wilson who later became the co founder of Alcoholics Anonymous This is a book about A A s roots in the Oxford Group as seen through the pages of Kitchen s work It explains how the key ideas which the two movements shared arose out of the evolution of the modern evangelical movement The author begins with John Wesley s Aldersgate experience in 1738 and traces this understanding of the healing power of grace down to Kitchen s and Bill W s time traversing en route the world of nineteenth century revivalism the Keswick holiness movement and the early twentieth century foreign missionary effort The great theme around which all of this is centered is that of God s grace as the power to change human character itself This book shows what faith and grace are really about It shows how even faith mixed with doubt can lead us into true spiritual awakening and it explains the basic nuts and bolts required to obtain a constant conscious contact with a God of our understanding Each century produces a small handful of great spiritual books I believe strongly that *Changed by Grace* is going to prove one of the greatest of our present century The best way to describe it is to say that it does for us today what William James Varieties of Religious Experience

did for the world of a hundred years ago John Barleycorn in The Waynedale News *Dr. Bob and His Library* Dick B.,1998
 One of the earliest and most valuable discoveries by author Dick B in his search for the facts about the early A A program
 which had such great successes was the many varied and important Christian and other books read studied and circulated by
 A A Cofounder Dr Bob among early AAs and their families These are of great importance and utility today if you are to be
 healed of alcoholism They cover the Bible Jesus Christ prayer healing alcoholism daily devotions Quiet Time the Oxford
 Group Rev Samuel M Shoemaker conversion and other relevant religious topics Dick discovered the books in the homes of Dr
 Bob s children read and analyzed and categorized them and placed them in this title Other books were mentioned elsewhere
 as having been read and circulated by Dr Bob and are included The Books Early AAs Read for Spiritual Growth Dick
 B.,1998 The most exhaustive bibliography with brief summaries of all the books known to have been read and recommended
 for spiritual growth by early AAs in Akron and on the East Coast **Moral Re-Armament** D. Sack,2009-12-07 With its
 mixture of American evangelicalism popular psychology and show business Moral Re Armament attracted men and women on
 six continents This book traces Moral Re Armament s reinventions over fifty years from its Ivy League beginnings to its
 spiritual heirs Up With People and Alcoholics Anonymous New Light on Alcoholism Dick B.,1999 Dick B is a writer
 historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to
 researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took
 Dick B to Shoemaker s churches in Pittsburgh and New York to the Episcopal Church Archives in Austin Texas to Hartford
 Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has
 published 33 books on the history of early A A **Beloved Dust** Robert Hughes,2008-08-15 Beloved Dust takes a realistic
 and contemporary view of human being as entirely physical dust and then shows it immersed in three great tides of the Holy
 Spirit the traditional threefold rhythm of conversion transfiguration and glory The Oxford Group & Alcoholics Anonymous
 Dick B.,1998 A A s life changing program derived almost exclusively from the precepts of A First Century Christian
 Fellowship also known as the Oxford Group of which A A was an integral part in its early years This book is the only study
 devoted exclusively specifically to the Oxford Group origins ideas principles practices specific impact on A A its Big Book its
 Twelve Steps **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association.
 Committee on Resources of American Libraries. National Union Catalog Subcommittee,1979 **Anne Smith's Journal,**
1933-1939 Dick B.,1998 Dick B s second great discovery concerned the contents of the spiritual journal that Anne Ripley
 Smith had kept shared and used to teach Bill W other AAs and their families the underlying principles of A A The notebook
 lay unnoticed by historians and AAs alike even though it held the key to what early A A was really like as related by the lady
 who was there as teacher founder and recorder Dick B is a writer historian Bible student retired attorney and active
 recovered member of A A He regards the Anne Smith discovery as perhaps the greatest of his historical finds and subjects in

helping AAs to recover today By the Power of God Dick B.,2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing *Turning Point* Dick B.,1997 Dick B is today regarded as the leading A A historian He is a writer Bible student retired attorney and active recovered member of the A A fellowship He has brought to the history table 1 His strong belief in the Creator Christianity and the Bible as the main source book for truth 2 His long and fervent work with newcomers in helping them to overcome their alcoholism with the power of God 3 His talents in writing and research that emerged from his work at the University of California where he received a Phi Beta Kappa key his editorship of the Stanford Law Review and his vigorous practice in writing and presenting legal briefs before many many courts This mid point treatise had been followed by and added up to 33 A A history titles so far This book is foundational **Report of the Library Syndicate for the Year ...** Cambridge University Library,1913
