Many agencies around the world have placed the focus on the use of growth and development indicators. These measures applied to children have helped to reduce malnutrition and childhood mortality, and have helped to reduce child labor and child prostitution. It represents an important step in the process.

When the *Journal of American Studies* commenced publication in 1967, it was the only journal in the English language devoted to American Studies. Since then, the publication of this journal has been a constant reminder of the fact that the study of American literature and culture is a field of study that has grown in importance and scope over the years. The *Journal of American Studies* is a journal of the American Studies Association, a learned society of the United States of America.

The Government is considering a "Small Business" program to assist the owner of an hotel, particularly a woman-owned hotel, in obtaining additional financing. The program will be a pilot project in the Washington area and the results will be reported.

There are several ways to go about this. One way is to use the "Find" command (Command-F) to search for the word "the" in the document. This will bring up a list of all the instances of the word. You can then click on each instance and delete it. Another way is to use the "Find and Replace" command (Command-H). This will allow you to find all instances of the word and replace them with a space. This is the easiest way to do it.
