Transitional And Retrospective Justice In The Baltic States:

Transitional and Retrospective Justice in the Baltic States Eva-Clarita Pettai,Vello Pettai,2015 An empirically rich and conceptually informed study of the politics of transitional justice in post communist Estonia Latvia and Lithuania

Transitional and Retrospective Justice in the Baltic States Eva-Clarita Pettai,Vello Pettai,2015 An empirically rich and conceptually informed study of the politics of transitional justice in post communist Estonia Latvia and Lithuania

Transitional Justice and the Former Soviet Union Cynthia M. Horne,Lavinia Stan,2018-02-22 In the twenty five years since the Soviet Union was dismantled the countries of the former Soviet Union have faced different circumstances and responded differently to the need to redress and acknowledge the communist past and the suffering of their people While some have adopted transitional justice and accountability measures others have chosen to reject them these choices have directly affected state building and societal reconciliation efforts This is the most comprehensive account to date of post Soviet efforts to address distort ignore or recast the past through the use manipulation and obstruction of transitional justice measures and memory politics initiatives Editors Cynthia M Horne and Lavinia Stan have gathered contributions by top scholars in the field allowing the disparate post communist studies and transitional justice scholarly communities to come together and reflect on the past and its implications for the future of the region

Transitional Justice in Albania, Kosovo, and North Macedonia Ines Stasa, **Research Handbook on Transitional Justice** Cheryl Lawther,Luke Moffett,2023-08-14 Providing a refreshing take on transitional justice this second edition Research Handbook brings together an expanse of scholarly expertise to reconsider how societies deal with gross human rights violations structural injustices and mass violence Contextualised by historical developments it covers a diverse range of concepts actors and mechanisms of transitional justice while shedding light on new and emerging areas in the field

Central and East European Politics Zsuzsa Csergo,Daina S. Eglitis,Paula M. Pickering,2021-06-22 Now in a fully revised and updated edition this essential text provides a comprehensive introduction to Central and Eastern Europe including the Baltics and Ukraine Broad but nuanced it offers a reader friendly overview of the globally and regionally significant changes and challenges the region faces Divided into two parts the book first presents thematic chapters on key issues including nationalism and challenges to democratic institutions and practices the contentious politics of memory debates over demography and migration in a region with a shrinking population and Russian efforts to retain regional influence through hard and soft power The case study chapters that follow highlight key political developments after communism as well as providing a strong foundation for readers on regional history and the political and economic experiences of the communist years Each covers the foundational topics of political history political competition economic development social problems relationships with European institutions and threats to good governance For students and specialists alike this book will be an invaluable resource on this dynamic region of Europe

Post-Communist Transformations in Baltic Countries Zenonas Norkus,2023-11-21 This Open access

book provides a survey of the economic health and somatic progress of Baltic countries during the period 1918-2018 framed by the outline of the historical sociological theory of modern social restorations as originally conceived by the Austrian American comparative historian Robert A. Kann. The author reworks Kann's theory to analyse post-communist transformations in the Baltic region. The book argues that the purpose of modern social restorations is to make restoration societies safe against a recurrence of revolution. There were two waves of modern social restorations: post-Napoleonic and post-communist. Most post-Napoleonic restorations were brief because they failed to economically and socially outperform the pre-revolutionary and post-revolutionary systems. It considers Baltic restorations as laboratory cases of second-wave modern social restorations because they encompass a triple restoration of the nation-state, capitalism and democracy. The book assesses the performance success of Baltic restorations by comparing economic and social progress of Baltic countries during the periods of original independence (1918-1940), foreign-imposed state socialism (1940-1990) and restored independence since 1990. It then elaborates the criteria to assess the ultimate performance success of these restorations by 2040 when restored Baltic states may endure longer than their ancestors in 1918-1940 and the complete foreign occupations era (1940-1990). The author, an expert in historical sociology, uses extensive historical statistical data in cross-time comparisons to develop his analysis and create future projections. This book is of wide interest to sociologists, social demographers, political scientists and economists studying the Baltic region. This is an open access book.

Building Trust and Democracy Cynthia Michalski Horne, 2017. This volume examines the conditions under which lustration and related transitional justice measures have affected political and social trust building and democratization across twelve countries in Central and Eastern Europe and parts of the Former Soviet Union between 1989 and 2012.

The Ashgate Research Companion to Memory Studies Siobhan Kattago, 2016-03-23. Memory has long been a subject of fascination for poets, artists, philosophers and historians. This timely volume edited by Siobhan Kattago examines how past events are remembered, contested, forgotten, learned from and shared with others. Each author in *The Ashgate Research Companion to Memory Studies* has been asked to reflect on his or her research companions as a scholar who studies memory. The original studies presented in the volume are written by leading experts who emphasize both the continuity of heritage and tradition as well as the memory of hostilities, traumas and painful events. Comprised of four thematic sections, *The Ashgate Research Companion to Memory Studies* provides a comprehensive overview of the latest research within the discipline. The principal themes include Memory History and Time, Social Psychological and Cultural Frameworks of Memory, Acts and Places of Memory, Politics of Memory, Forgetting and Democracy. Featuring contributions from key thinkers in the field, this comprehensive volume will be a valuable resource for all academics and students working within this area of study.

Politicising the Communist Past Aleks Szczerbiak, 2018-01-31. Poland is a particularly interesting case of truth revelation and transitional justice in a post-communist country. This is because of the radical change of trajectory in its approach to dealing with the communist past and

the profound effect this had on Polish politics The approach moved from communist forgiving in the early 1990s to a mild law vetting individuals for their links with the communist era security services at the end of the decade through to a more radical vetting and opening up of the communist security service files in the mid 2000s This book examines the detail of this changing approach It explains why disagreements about transitional justice became so prominent to the extent that they constituted one of the main causes of political divisions It sets the Polish approach in the wider context of transitional justice and truth revelation drawing out the lessons for newly emerging democracies both in Eastern Europe and beyond

The Former Soviet Union and East Central Europe between Conflict and Reconciliation Lily Gardner Feldman, Raisa Barash, Samuel Goda, André Zempelburg, 2018-12-03 This volume examines the role of identity formation and stages of sequencing of the steps of reconciliation which is an enduring rather than an ad hoc phenomenon RIPAR 4 asks for both the challenges to it from the domestic and international systems and the actors involved as well as for the role of history memory and remembrance either as catalysts for or obstacles to reconciliation The analyzing of the connection among the past the present and the future in actual or prospective reconciliation embraces all these topics and questions Influenced by the crisis in the former Soviet Union following the March 2014 Russian annexation integration of Crimea and the movement of Russian soldiers into Eastern Ukraine to aid Ukrainian separatists the essays in this volume were written in 2015

Reconciliation is a frequently ill defined term As an aspiration in this volume it encompasses three senses an incipient thin and minimal form amounting to passive peaceful coexistence after enmity a more elaborate intermediate and engaged form that is captured by the term *rapprochement* and a thick or fuller form denoting active friendship empathy trust magnanimity and ultimately amity Beyond the definitional goal the volume addresses ten themes Firstly reconciliation is being questioned as a process and or a terminal condition A view is made on the requirements for the transition from conflict to a reconciliatory process and the obstacles to beginning a process of reconciliation Its soft and hard expressions inter alia in emotional and political dimensions are also subject of the author's interest The observations about conflict and cooperation offered in this volume wish to add significantly to the burgeoning literature of reconciliation These essays demonstrate that we need a variety of disciplinary and theoretical perspectives to grapple with conflict and to promote reconciliation

The Palgrave Handbook of State-Sponsored History After 1945 Berber Bevernage, Nico Wouters, 2018-02-03 This handbook provides the first systematic integrated analysis of the role that states or state actors play in the construction of history and public memory after 1945 The book focuses on many different forms of state sponsored history including memory laws monuments and memorials state archives science policies history in schools truth commissions historical expert commissions the use of history in courts and tribunals etc The handbook contributes to the study of history and public memory by combining elements of state focused research in separate fields of study By looking at the state's memorialising capacities the book introduces an analytical perspective that is not often found in classical studies of the state The handbook has a

broad geographical focus and analyses cases from different regions around the world The volume mainly tackles democratic contexts although dictatorial regimes are not excluded **Law and Memory** Uladzislau Belavusau,Aleksandra Gliszczyńska-Grabias,2017-10-19 The volume revisits memory laws as a phenomenon of global law transitional justice historical narratives and claims for historical truth It will appeal to those interested in the conflict between legal governance of memory with values of democratic citizenship political pluralism and fundamental rights Historical Dictionary of Estonia Toivo Miljan,2015-05-21 Estonia is a small European Union country population 1 3 million but physically the size of Netherlands and Switzerland at the historic interface of East and West Europe and Russia free from Soviet occupation only for twenty five years Estonia boasts many notable achievements in the past has one of the most advanced economies in the region It has made impressive progress politically having shed a half century of communist domination and shifted to democracy making it a model for other transitional states It is at the forefront of Internet services its secure digital ID cards are used for all interactions with government agencies for voting at elections and among government agencies as well as in private banking This second edition of Historical Dictionary of Estonia covers its history through a chronology an introductory essay glossary appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Estonia *The Concept of Genocide in International Criminal Law* Marco Odello,Piotr Łubiński,2020-07-14 This book presents a review of historical and emerging legal issues that concern the interpretation of the international crime of genocide The Polish legal expert Raphael Lemkin formulated the concept of genocide during the Nazi occupation of Europe and it was then incorporated into the 1948 Convention on the Prevention and Punishment of the Crime of Genocide This volume looks at the issues that are raised both by the existing international law definition of genocide and by the possible developments that continue to emerge under international criminal law The authors consider how the concept of genocide might be used in different contexts and see whether the definition in the 1948 convention may need some revision also in the light of the original ideas that were expressed by Lemkin The book focuses on specific themes that allow the reader to understand some of the problems related to the legal definition of genocide in the context of historical and recent developments As a valuable contribution to the debate on the significance meaning and application of the crime of genocide the book will be essential reading for students and academics working in the areas of Legal History International Criminal Law Human Rights and Genocide Studies Chapter 12 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at <http://www.taylorfrancis.com/books/e/9781003015222> **After Authoritarianism** Monika Nalepa,2022-09-22 Transitional justice the act of reckoning with a former authoritarian regime after it has ceased to exist has direct implications for democratic processes Mechanisms of transitional justice have the power to influence who

decides to go into politics can shape politicians behavior while in office and can affect how politicians delegate policy decisions However these mechanisms are not all alike some known as transparency mechanisms uncover authoritarian collaborators who did their work in secret while others known as purges fire open collaborators of the old regime After Authoritarianism analyzes this distinction in order to uncover the contrasting effects these mechanisms have on sustaining and shaping the qualities of democratic processes Using a highly disaggregated global transitional justice dataset the book shows that mechanisms of transitional justice are far from being the epilogue of an outgoing authoritarian regime and instead represent the crucial first chapter in a country s democratic story

The Routledge Handbook of East European Politics Adam Fagan,Petr Kopecký,2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations

Oxford Handbook of Transitional Justice,2025-08-15 The Oxford Handbook of Transitional Justice is an authoritative guide to the rapidly growing domain of transitional justice the practices and processes of reckoning pursued in the aftermath of historic injustice Since the neologism s coining in the late 1990s transitional justice has become one of the 21st century s most influential practices of international humanitarianism However transitional justice projects often conceal the very violence they are intended to address or even inflict further violence on victims of atrocities Across 48 genre bending chapters the Handbook explores articulates and advances a multifaceted critique of transitional justice Ranging innovatively across space and time it interrogates the nature and legacies of the justice cascade that the prosecution of international crimes is said to have inspired An interdisciplinary cast of leading scholars questions the meaning and efficacy of transitional justice s modalities which range from archives to courts from memorials to reparations In so doing this volume s authors critically challenge the panglossian orthodoxies that have accumulated and ossified around efforts to come to terms with violent pasts from colonialism to genocide This global endeavor is not one of tear down however Rather it points toward a reimaged project that is more clear eyed about the promises of transitional justice and its inherent limits A definitive work on the subject The Oxford Handbook of Transitional Justice is essential reading for students scholars and practitioners interested in practices of

reckoning *Memory Laws and Historical Justice* Elazar Barkan, Ariella Lang, 2022-09-30 This book examines state efforts to shape the public memory of past atrocities in the service of nationalist politics This political engagement with the duty to remember and the question of historical memory and identity politics began as an effort to confront denialism with regard to the Holocaust but now extends well beyond that framework and has become a contentious subject in many countries In exploring the politics of memory laws a topic that has been overlooked in the largely legal analyses surrounding this phenomenon this volume traces the spread of memory laws from their origins in Western Europe to their adoption by countries around the world The work illustrates how memory laws have become a widespread tool of governments with a nationalist majoritarian outlook Indeed as this volume illustrates in countries that move from pluralism to majoritarianism memory laws serve as a warning a precursor to increasingly repressive nationalist inclinations

Thank you very much for downloading **Transitional And Retrospective Justice In The Baltic States**. As you may know, people have search hundreds times for their favorite novels like this Transitional And Retrospective Justice In The Baltic States, but end up in malicious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they cope with some infectious bugs inside their laptop.

Transitional And Retrospective Justice In The Baltic States is available in our book collection an online access to it is set as public so you can download it instantly.

Our book servers saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Transitional And Retrospective Justice In The Baltic States is universally compatible with any devices to read

Transitional And Retrospective Justice In The Baltic States Introduction

In the digital age, access to information has become easier than ever before. The ability to download Transitional And Retrospective Justice In The Baltic States has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Transitional And Retrospective Justice In The Baltic States has opened up a world of possibilities. Downloading Transitional And Retrospective Justice In The Baltic States provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Transitional And Retrospective Justice In The Baltic States has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Transitional And Retrospective Justice In The Baltic States. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Transitional And Retrospective Justice In The Baltic States. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Transitional And Retrospective Justice In The Baltic States, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Transitional And Retrospective Justice In The Baltic States has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Transitional And Retrospective Justice In The Baltic States Books
