Kyle Wilson hasn't had it easy. His insecurities and nasty home life made him lash out as a kid, and when he finally came out as gay, his family disowned him. Then just when he's pulled his life together and gotten his construction company running, he's caught in a fire and forced to take costly time off. When firefighter Hayden Walters rescues a man from a burning building, he's just doing his job. He doesn't expect it to turn his life upside down, but the man is none other than Hayden's high school bully. He definitely doesn't expect Kyle to come to the station to thank him in person. With awkward apologies out of the way, Kyle and Hayden realize they have a lot in common. And when it turns out someone set the fire at Kyle's construction site to target him, they find they can solve each other's problems too. Hayden needs a place to stay while his apartment is renovated, and Kyle doesn't want to be alone in case the firebug strikes again. Things between the two of them quickly heat up, but so does the arsonist's agenda. Can they track down the would-be killer before it's too late? *Catch of a Lifetime* Andrew Grey, 2020-04-07. Some moments happen once in a lifetime, and you have to catch them and hold on tight. Arty Reynolds chased his dream to Broadway, but after his father is injured, he must return to the small fishing community where he grew up, at least until his dad is back on his feet. Jamie Wilson fled his family farm but failed to achieve real independence. Arty is hiring for a trip on the gulf, and it'll get Jamie one step closer to his goal. Neither man plans to stay in Florida long-term; neither is looking for love, and they're both blown away by the passion that sparks between them. But on a fishing boat, there's little privacy to see where their feelings might lead. Passion builds like a storm until they reach land, where they also learn they share a common dream. The lives they both long for could line up perfectly as long as they can weather the strain on their new romance when only one of them may get a chance at their dream. *The Viscount's Rancher* Andrew Grey, 2024-09-10. Viscount Collin Northington has spent his life under his father's thumb. When his friend George and his cowboy husband Alan offer to let him tag along to the US for two weeks, Collin jumps at the chance to get away. Perhaps the open ranges of Wyoming will put his problems into perspective. He even dreams of meeting a cowboy of his own. He doesn't expect his dreams to come true. When Tank Rogers returned home after his military service, he took over the family ranch the way he knew he was meant to. Now he's the only one left, but he likes the solitude. Even so, he has no excuse to object to putting up Alan's friend for a few weeks in exchange for some help around the ranch; it wouldn't be neighborly. The feelings he has for his blue-blooded houseguest aren't exactly neighborly either. Once Tank realizes there's more to Collin than upper-crust manners, suddenly his solitary life holds a lot less appeal. But in the long term, Tank doesn't fit into Collin's fancy society life any more than Collin fits into Tank's down-home and dusty ranch. Does he? *Bad to Be Merry* Andrew Grey, 2021-11-30.
