Marie Force,2021-10-15 A deadly serious affair The story breaks as Metro PD lieutenant Sam Holland attends a dinner party with her husband Vice President Nick Cappuano President Nelson is accused of having an affair More shocking still campaign staffer Tara Weber claims the president fathered her newborn son while the First Lady was undergoing secret cancer treatment When a high profile murder case hits Sam s desk she s shocked to uncover a connection to the presidential scandal With the department caught up in its own internal scandals and the chief s job hanging by a thread Sam questions who she can trust as her team uncovers information that clouds an already murky case And with calls for the president to resign getting louder by the minute Sam needs to close this case before she finds herself living at 1600 Pennsylvania Avenue

Fatal Mistake (Fatal Series, Book 6) Marie Force,2021-10-15 A critical error A Cinderella season cut short A star player murdered D C is recovering from angry riots after one player s mistake blew the D C Federals chance at the World Series and Lt Sam Holland is determined to unravel the twisted web of motives behind the star center fielder s death Was it a disgruntled fan a spurned lover or a furious teammate While Sam digs through clues her husband U S Senator Nick

Cappuano fights for his political life in the final days of his reelection campaign as financial irregularities threaten his future. It's a distraction Nick can ill afford with Sam in the midst of another high profile murder investigation and both of them trying to help their adopted son Scotty cope with the murder of a ball player he admired. Determined to bring the killer to justice, Sam must root out the truth before another mistake proves fatal. *Fatal Series Boxed Set, Books 10-12* Marie Force, 2022-03-10

Book 10 *Fatal Identity* Every family has its secrets. As the first anniversary of her marriage to Vice President Nick Cappuano approaches, Lieutenant Sam Holland is dreaming of Bora Bora sun sand and a desperately needed break from the DC grind. But real life has a way of intervening and Sam soon finds herself taking on one of the most perplexing cases of her career. Government worker Josh Hamilton begs Sam to investigate his shocking claim that his parents stole him from another family thirty years ago. More complicated still, his father is none other than the FBI director. When a member of Josh's family is brutally murdered, Sam begins to question how deep the cover up goes. Is it possible the revered director was part of a baby napping ring and others involved are also targets? With a killer intent on deadly revenge and her team still reeling from a devastating loss, Sam's plate is full and when Nick and their son Scotty take ill, is her dream of a tropical anniversary celebration in peril too?

Book 11 *Fatal Threat* With a killer on the loose, it's the worst time to be on lockdown. It's another day at the office for Washington Metro Police Lieutenant Sam Holland when a body surfaces off the shores of the Anacostia River. Before Sam can sink her teeth into the new case, Secret Service agents seize her from the crime scene. A threat has been made against her family and nobody will tell her anything, including the whereabouts of her husband Vice President Nick Cappuano. This isn't the first time the couple's lives have been at risk, but when a bombshell from Sam's past returns to haunt her, she can't help but wonder if there's a connection. With a ruthless killer out for vengeance and Nick struggling to maintain his reputation after secrets from his own past are revealed, Sam tries to tie the threat to a murder that can't possibly be a coincidence. And she has to get it done before her husband's career is irrevocably damaged.

Book 12 *Fatal Chaos* First the calm. Then the storm. Escaping D.C. during the dog days of summer is one of the smartest moves Washington Metro Police Lieutenant Sam Holland ever made. Beach walks aren't quite as romantic with the Secret Service in tow, but Sam and her husband Vice President Nick Cappuano cherish the chance to recharge and reconnect, especially with a scandal swirling around the administration. No sooner are they back home than a fatal drive-by shooting sets the city on edge. The teenage victim is barely older than Sam and Nick's son Scotty. As more deaths follow, Sam and her team play beat the clock to stop the ruthless killers. With Nick facing his greatest challenge, one that could drastically change all their lives and even end Sam's career, will the mounting pressure deepen or damage their bond?

Fatal Invasion (Fatal Series, Book 13) Marie Force, 2021-10-15 First the fire, then the heat. A brutal home invasion. Two small traumatized survivors who may have witnessed the horror. Lieutenant Sam Holland has never worked a case quite like this one, in which her eye witnesses are five year old twins. But when Sam steps up in a big way for them, she risks her heart as much as her career. While Sam and her

husband Vice President Nick Cappuano go to battle in more ways than one for her tiny witnesses her colleague Sergeant Tommy Gonzo Gonzales battles his own demons Months of unbearable grief and despair come to a head in an unimaginable way that threatens Gonzo s status with the department and his relationship with his fianc e Christina With trouble both at MPD headquarters and on the case Sam struggles to keep her priorities straight at home and at work while trying not to lose her heart to her latest crime victims Fatal Frenzy (Fatal Series, Book 9) Marie Force,2021-10-15 Inauguration day is almost here Lieutenant Sam Holland is on medical leave recovering from an attack that shook her to the core With no case to distract her she s trying to stay busy even voluntarily meeting with her new White House staff But it s not enough to keep the horrific memories at bay and her family is worried especially her husband Vice President Nick Cappuano Nick is dealing with his own demons where his wife s safety is concerned losing night after night of sleep as he takes steps to ensure what happened that day will never happen again The pressure is building inside the Cappuanos marriage and something s got to give before Nick takes the oath of office A series of knife attacks in the midst of inauguration madness has the District on edge and when the case strikes shockingly close to home Sam returns to help hunt down a heartless killer In a case full of ugly twists and turns Sam will have to confront her past and find her strength again before it s too late **The Thirteenth Doctor - The Doctor Who Episodes of Jodie Whittaker** Jonathan Ward,2024-01-31 Chris Chibnall s Doctor Who era is regarded by many though obviously not all to have been a complete disaster But is this fair Let s take a deep dive into the Chris Chibnall Jodi Whittaker era of the iconic series and examine the highs and lows of Chris Chibnall s Doctor Who Includes a guide to all the episodes of the Chris Chibnall Doctor Who era *Official Gazette of the United States Patent Office* United States. Patent Office,1904 **Come Together** Marie Force,2021-07-13 Three years after his marriage ended in dramatic fashion Noah Coleman has one goal to steer clear of romantic entanglements In fact he steers clear of most human interaction studiously avoiding his large meddling extended family working until he s exhausted and then repeating the pattern day after day His strategy has worked well for him for years keeping him sealed off from anything that can cause him pain or angst Or it was working for him before his company was hired to rebuild the Admiral Butler Inn after a fire reduced it to rubble and he was forced to co exist with the exasperatingly difficult gorgeous architect the inn s owner Mrs Hendricks hired to oversee the project While nursing a badly broken heart Brianna Esposito is determined to complete the Butler Inn construction under budget and on time and to make partner in the Boston firm where she s been working fourteen hours a day for five years Nothing is going to stop her from achieving her goal especially a cranky contractor with the people skills of a rabid cougar Noah Coleman is the most exasperating human being she s ever had the misfortune to tangle with She s never had screaming fights with anyone the way she does him and the fact that he s also the sexiest man she s ever met makes it that much more difficult to hold her ground When Mrs Hendricks intervenes and orders the two of them to resolve their differences Brianna is stuck having dinner with the man she wants to stab one minute and kiss the next And will he ever tell

her why he's so bitter and angry Brianna suspects the answer to that question could also be the key to his well protected heart Come back to Butler Vermont to find out if these two adversaries will give in to the sparks that've been flying between them for months or if they'll finally succeed in driving each other crazy Fatal Fraud (Fatal Series, Book 16) Marie Force, 2020-10-20 A dangerous truth revealed A prominent member of the D C community has been murdered pulling Lieutenant Sam Holland into yet another high stakes homicide investigation that has her trying to connect the dots between a dead woman and the friends and family who'd turned against her right before her untimely death With numerous scandals still fresh within the department's ranks Sam is under more than the usual amount of pressure on the job All the while Sam's husband Vice President Nick Cappuano faces mounting calls to declare his intention to run for president in the coming election leaving the second couple feeling the strain at home and on the job as the family endures the first holidays without their beloved patriarch Skip Holland As always when things become too hot to handle on the job Sam and Nick turn to each other for solace in the storm **Fatal Justice (Fatal Series, Book 2)** Marie Force, 2021-10-15 Standing over the body of a Supreme Court nominee Lieutenant Sam Holland is hip deep in another high profile murder case That she was one of the last people to see Julian Sinclair alive only complicates things even more With her relationship with Senator Nick Cappuano heating up they're attracting a lot of unwanted media attention and blinding flashbulbs The pressure is on for Sam to find Sinclair's killer but a new lead in her father's unsolved shooting puts her in unexpected danger When long buried secrets threaten to derail her relationship with Nick Sam realizes that while justice can be blind mixing romance with politics has the potential to be fatal *State of Affairs (First Family Series, Book 1)* Marie Force, 2021-04-20 The phone call that changed their lives forever Minutes after Vice President Nick Cappuano and Lt Sam Holland get the call that President Nelson has been found dead in the residence on Thanksgiving they're still processing that Nick has been asked to come to the White House to take the oath of office As they go through the motions to ensure a peaceful transition of power Sam has a million and one concerns about her husband her family the Nelson family the country and the enormity of what Nick is about to take on In the back of her mind is another major concern What does this mean for my job No other first lady in history has held a job outside the White House but she's determined to be the first to blaze new trails for those who will follow her However in order to do that she quickly realizes that compromises will have to be made to continue working as a Homicide detective Their lives become an immediate firestorm of meetings requests for interviews difficult questions from their children and a host of potential landmines to navigate as they make the transition from second family to first family An unexpected issue with a diplomatic trip to Iran quickly thrusts Nick into the thick of his new responsibilities while Sam confronts a murder investigation that may have ties to a cold case from fifteen years ago As everything around them spins out of control Sam and Nick take refuge with each other relying on their unbreakable bond to see them through the storm
