
of relatively short duration. For purposes of the preceding sentence, any absence for the purpose of attending a religious service shall be deemed to be an absence of infrequent or short duration. Also, absences from the home for non-medical purposes, such as an occasional trip to the barber, a walk around the block or a drive, would not necessarily negate the beneficiary's homebound status if the absences are undertaken on an infrequent basis and are of relatively short duration. An exception is made to the above homebound definitional criteria for beneficiaries under the age of 18 and those receiving maternity care. The only homebound criteria for these special beneficiary categories is written certification from a physician attesting to the fact that leaving the home would place the beneficiary at medical risk. In addition to the above, absences, whether regular or infrequent, from the beneficiary's primary residence for the purpose of attending an educational program in a public or private school that is licensed and/or certified by a state, shall not negate the beneficiary's homebound status.

3.3 In addition to infusion therapy provided in the home, infusion therapy may also be provided in alternative settings which include hospital outpatient departments, ambulatory infusion suites, physician's offices, or in inpatient settings.

4.0 DESCRIPTION

Infusion therapy delivered in the home may include:

- Skilled nursing services to administer the drug;
- The drug and associated compounding services; and
- Medical supplies and Durable Medical Equipment (DME).

5.0 POLICY

Coverage may be extended for infusion therapy delivered in the home when preauthorized by the Managed Care Support Contractor (MCSC). Preauthorization shall be required when:

5.1.1 Homebound beneficiaries who require skilled services (e.g., skilled nursing) for administration of a home infusion drug must receive those skilled services from a Home Health Agency (HHA), in accordance with the policy described in the TRM, [Chapter 12](#). See TRM, [Chapter 2](#), Addendum A for beneficiary cost shares for HHC services. See TRM, [Chapter 12](#), [Section 2](#), [Figure 12.2-1](#) for beneficiary cost-shares for services reimbursed outside the Home Health Agency Prospective Payment System (HHA PPS) when receiving home health services under a POC.
