

# DOG Training TIPS for PUPPIES

## Always listen

It's important to communicate with your puppy in the present and your way, so allow that you can. Puppies take time to learn up to other people.

## Be affectionate

During obedience training, you should show affection when your puppy does the right thing.

## Communicate

Always keep your eyes open on how your puppy behaves when it makes something. So you will be able to know its language.

## Give it time

Puppies consider jumping, barking and digging normal behavior, they may take time, patience and effort to adjust.

## Give to get

When training puppies you get what you expect from them. Whenever puppies are properly trained as to be expected, you have reinforced.
