Vat 60 Manual

John W. Urquhart

Vat 60 Manual:

VAT and the NHS Martin Kaney, 2016-09-21 VAT the NHS is both a reference manual and a practical guide to managing VAT in the NHS The book provides a comprehensive overview of VAT in the context of the NHS It does not assume that readers are specialists in either subject which means it should have a wide appeal among finance staff within the NHS as well as general practitioner accountants and VAT consultants The second edition of VAT the NHS is based on published HMRC and HM Treasury guidance and policy and on current case law and legislation in force as at 30 June 2016 and is revised to include the recent structural changes in the NHS and developments arising from the Budget 2015 and 2016 as well as the potential implications of Brexit The book helps to identify all of the issues in the tax relevant to the NHS and in a logical analysis explain these from an NHS compliance perspective and in relation to the organisational activities of the NHS providing further references where appropriate if more detailed information is required For reference there is a Glossary of Terms a list of Definitions and a list of References The book provides a comprehensive overview of VAT in the context of the NHS It does not assume that readers are specialists in either subject which means it should have a wide appeal among finance staff within the NHS as well as general practitioner accountants and VAT consultants VAT and the NHS should help tax practitioners who act for clients affected by the continuing organisational change within the NHS It is certainly a welcome addition to my own library Taxation magazine on the first edition
