Walk About Rory I. Jagdeo,2020-10-28 Rory I Jagdeo lost his brother Steve to COVID 19 and was inspired to write this story of leaving Guyana at almost twenty years old boarding an airplane for the first time to Toronto Canada It was an unlikely journey for a man with such humble beginnings a man whose great grandparents were taken from India to work on a sugar plantation as indentured servants in the late 1800s In this autobiography he looks back at his boyhood and adolescence growing up in a village called Fyrish on the Northeastern coast of Guyana a country on South America s North Atlantic coast and how life changed when he went to college in Toronto From there he highlights his life s challenges pleasures and close calls While his life has been challenging he has never given up With hard work he has followed destiny s path and explored the pleasures of life From his life as a musician and recording artist to his adventures traveling to his romantic exploits and time as a caregiver the author celebrates his incredible life *Some Kids Left Behind* Lila Nordstrom,2021-08-24 For the 20th anniversary of 9 11 comes an awe inspiring account of the schoolchildren poisoned by the toxic air left in the wake of the Twin Towers destruction and the survivor who fought for health care for them in front of Congress and against the odds On September 11 2001 high school senior Lila Nordstrom watched from her classroom s window as the Twin Towers mere blocks away fell Weeks later at the urging of local officials and assurance from the EPA Lila and her three thousand classmates were returned to their school even though the air was thick with toxic debris dust and smoke In this remarkable empowering memoir Lila shares how the illnesses and deaths of her classmates related to the effects of the 9 11 cleanup spurred her into action She created StuyHealth and became involved in the fight for the Victim Compensation Fund working alongside first responders and heavyweights like Jon Stewart Hillary Clinton and Nancy Pelosi proving at every turn that her survivor community also deserves recognition and mental and physical health care and that her voice too deserves to be heard This timely tale reveals how tragedy lays bare the American health care system and how corruption and misinformation continue to fail victims of tragedies An honest at times humorous guide to advocating for one s self and one s community and navigating the cutthroat world of legislation and health care Lila s story begs us to consider how we as a nation treat our vulnerable communities and how all victims of all disasters deserve care truth and respect Also included is a
