Trayvon Benjamin Martin Autopsy Report:

Suspicion Nation Lisa Bloom, 2014-02-25 Many thought the election of our first African American president put an end to the conversation about race in this country and that America had moved into a post racial era of equality and opportunity Then on the night of February 26 2012 a black seventeen year old boy walking to a friend s home carrying only his cell phone candy and a fruit drink was shot and killed by a neighborhood watch coordinator And in July 2013 the trial of Zimmerman for murder captivated the public as did his eventual acquittal In her provocative and landmark book *Suspicion Nation* Lisa Bloom who covered the trial from gavel to gavel posits that none of this was a surprise Our laws culture and blind spots created the conditions that led to Trayvon Martin s death and made George Zimmerman s acquittal by far the most likely outcome America today holds an unhealthy preoccupation with firearms that has led to the expansion of gun rights to surreal extremes America now has not only the highest per capita gun ownership rate in the world almost one gun per American but the highest rate of gun deaths Despite the strides America has made fighting a bloody Civil War to end slavery eradicating Jim Crow laws teaching tolerance and electing an African American president racial inequality persists throughout our country in employment housing education the media and most institutions And perhaps most destructively of all racial biases run deep in every level of our criminal justice system *Suspicion Nation* captures a court system and a country conflicted and divided over issues of race violence and gun legislation *Pursuing Trayvon Martin* George Yancy, Janine Jones, 2013 On February 26 2012 seventeen year old African American male Trayvon Martin was shot and killed by George Zimmerman a twenty eight year old white Hispanic American male in Sanford Florida Zimmerman killed Martin in a gated community *Pursuing Trayvon Martin Historical Contexts and Contemporary Manifestations of Racial Dynamics* featuring a new preface by editors George Yancy and Janine Jones written after the June 2013 trial examines the societal conditions that fueled the shooting and its ramifications for race relations and violence in America *Pursuing Trayvon Martin Historical Contexts and Contemporary Manifestations of Racial Dynamics* attempts to capture what a critical cadre of scholars think about this potentially volatile situation in the moment The text addresses issues across various thematic domains that are both broad and relevant *Pursuing Trayvon Martin* is an important read for scholars in the fields of philosophy criminal justice history critical race theory political science critical philosophies of race gender studies sociology rhetorical studies and for anyone hungry for critical ways of thinking about the Trayvon Martin case □□□□ (American English) □□□ □□□□ □□□ (African American Vernacular English) - □□□□ □□ □□ □□ □□ □□ □□ Black English □□□, 100 100 1 2 I II I II Vernacular African American Vernacular General American English Miami English New York Latino English Pennsylvania Dutch English Yeshiva English General American English *Freedom on My Mind, Volume 2* Deborah Gray White, Mia Bay, Waldo E. Al Sharpton Carl F. Horowitz,2025-02-07 In August 2014 a white police officer acting in self defense shot to death an attacker Michael Brown a black youth in Ferguson Missouri Al Sharpton s rhetoric had much to do with the subsequent local rioting This was nothing new He had been applying his patented demagoguery to incidents with racial implications for decades in his native New York City and elsewhere under the guise of justice and civil rights His many prominent supporters have catapulted him to the apex of American life President Obama and President Biden regularly solicited his advice Major corporations continue to donate money to his nonprofit National Action Network Public sector employee unions fete him Reverend Al is more subdued and dapper than in his earlier manic days But that should not be cause for complacency His proximity to power and regular news media presence make him ever more dangerous in these increasingly radicalized times

Atlantic Crescent Alaina M. Morgan,2025-07-29 In the period between the twentieth century s two world wars Black and Muslim people from the United States South Asia and the Caribbean collided across an expansive diasporic geography As these people and their ideas came into contact they reignited the practice of Islam among people of African descent living in the United States and the Anglophone Caribbean and prompted them to adopt new understandings of their place in the world As the freedom dreams of these diasporic communities met the realities and limitations of colonialism and race in the Atlantic world Islam presented new strategies for combating oppression and introduced new allies in the struggle Envisioning the geography and significance of this encounter within what she calls the Atlantic Crescent Alaina M Morgan draws on an expansive archive to show how Black and Muslim people imagined understood and acted on their religious and racial identities Morgan reveals how her subjects overlapping diasporic encounters with Islam led to varied local adaptation as well as common ground to pursue liberation from racial subjugation and white supremacy
