departure from the ACC The University of South Carolina experienced some of the highest highs and lowest lows in its athletics history Tales of interpersonal clashes between football head coach Paul Dietzel and men s basketball head coach Frank McGuire the rise and fall of women s basketball coach Pam Parsons George Rogers and his magical Heisman Trophy winning season the birth of USC s beloved mascot Cocky and other USC sports stories converge stirring feelings of amusement nostalgia and pride With colorful storytelling and Gamecock pride Piercy gives college sports fans a behind the scenes tour of these raucous decades He explains how South Carolina s independent era tells the broader story of NCAA sports conference realignment Title IX the impact of the civil rights movement on college athletics the evolution of college sports media coverage and the development of college sports into a multi billion dollar business sustained by TV broadcast and licensing rights A Gamecock Odyssey captures the spirit of the time and shows the reader how those years influenced today s Gamecock culture and national obsession with college athletics
