Variations On A Theme Erotic Feast Book English Edition:

Women's Bible Commentary, Third Edition Carol A. Newsom, Sharon H. Ringe, Jacqueline E. Lapsley, 2012-09-28 The Women's Bible Commentary is a trusted classic resource for biblical scholarship written by some of the best feminist scholars in the field today. This twentieth anniversary edition features brand new or thoroughly revised essays to reflect newer thinking in feminist interpretation and hermeneutics. It comprises commentaries on every book of the Bible including the apocryphal books, essays on the reception history of women in the Bible, and essays on feminist critical method. The contributors raise important questions and explore the implications of how women and other marginalized people are portrayed in biblical texts, looking specifically at gender, roles, sexuality, political power, and family life, while challenging long-held assumptions. This commentary brings modern critical methods to bear on the history, sociology, anthropology, and literature of the relevant time periods to illuminate the context of these biblical portrayals and challenges readers to new understandings.

Hermaphroditus Antonio Beccadelli, 2001-01-01 Eugene O'Connor's superb translation of Antonio Panormita's *Hermaphroditus* brings to life this little-known Renaissance writer's bawdy masterpiece. Modeled on the writings of the Roman poet Martial, Panormita's work was initially greeted with enthusiasm by humanist scholars upon publication in 1425, only to be reviled and censored as obscene by Christian apologists. O'Connor's excellent introduction offers a wealth of historical and literary information on Panormita's often profane poetry, presented here in both English and the Latin original. This new translation will be a delight to classical, neo-Latin, and Renaissance scholars interested in tracing the development of the epigram from Latin to the vernacular, and to scholars of gender and gay studies seeking to understand the popular portrayal of women and sexual themes in the early Renaissance.

Evergreen Review, 1971 **The Christian Advocate**, 1909 *Courtly Desire and Medieval Homophobia* Elizabeth B. Keiser, 1997-01-01 One of the key issues facing us in the next millennium is the ability to manipulate the genetics of living organisms. The possibility of manipulating human genetics raises many theological, ethical, and socio-political issues. These include specific decisions about whether the technology will be developed, how it will be applied, and more general questions about the technical manipulation of natural processes.

Philo, Josephus, and the Testaments on Sexuality William Loader, 2011-07-06 In a fourth volume on attitudes towards sexuality in Judaism and Christianity during the Hellenistic Greco-Roman era, Loader, emeritus New Testament scholar at Murdoch University in Western Australia, looks at evidence in the writings of Jewish philosopher Philo of Alexandria (20 BC–50 AD), Jewish commander-turned-Roman historian Josephus Flavius (37–100), and a Christian document written possibly in the late second century but drawing on older Jewish material. He tackles each in turn, discussing such aspects as sexual issues in Philo's exposition of law and Josephus on Herod's marriage. Annotation 2011 Book News, Inc., Portland, OR, booknews.com *Medieval Mystical Women in the West* John Arblaster, Rob Faesen, 2024-07-18 This book explores the rich and varied mystical writings by and about medieval and a few early modern women across Western Europe. development of medieval and early modern spiritual and mystical literature both through their own writing and as a result of the hagiographical texts that they inspired Bringing together contributions by both established and emerging scholars the volume provides a valuable overview of medieval mystical women with a special focus on the Low Countries and Italy regions that produced a disproportionately high number of female mystics The figures discussed range from Hildegard of Bingen Hadewijch Mechthild of Magdeburg Marguerite Porete Angela of Foligno Julian of Norwich and Beatrice of Nazareth to lesser known women such as Agnes Blannbekin Christina of Hane and Maria Maddalena de Pazzi The chapters address topics such as the body pain desire ecstasy stigmata annihilation virtue visions the tension between exterior and interior experience and the nature of mystical union itself Couple and Family Psychoanalysis Volume 1 Number 1 Molly Ludlam, 2011-03-31 Couple and Family Psychoanalysis is an international journal sponsored by Tavistock Relationships which aims to promote the theory and practice of working with couple and family relationships from a psychoanalytic perspective It seeks to provide a forum for disseminating current ideas and research and for developing clinical practice The annual subscription provides two issues a year Articles Couple Psychoanalysis and Couple Therapy Context and Challenge by Christopher Clulow Time Limited Couple Psychotherapy Treatment of Choice or an Imposition by Viveka Nyberg The Concept of the Link in Psychoanalytic Therapy by David E Scharff Bion and the Couple by Judith Pickering Reflections on the Container Contained Model in Couple Psychoanalytic Psychotherapy by Barbara Bianchini and Laura Dallanegra A Psychoanalytic Family Therapy Programme for Dysfunctional Family Groups Where Juveniles Are at Risk A Challenge for Care and Illustration of Treatment Through Family Therapy by Isabel Laudo and Ant nia Llair Living in Two Languages A Bilingual Couple Therapist s Experience of Working in the Mother Tongue by Nora Tsatsas and David Hewison The Entangled Nature of Attachment and Sexuality in the Couple Relationship by Norma Caruso **The New Schwann** ,1985-11 *Aeschylus's Suppliant Women* Geoffrey W. Bakewell, 2013-08-16 As Athenians of the classical era became increasingly aware of their own collective identity they sought to define themselves and exclude others They created a formal legal status to designate the free noncitizens living among them calling them metics and calling their status metoikia When Aeschylus dramatized the mythical flight of the Danaids from Egypt in his play Suppliant Women he did so in light of his own time and place Throughout the play directly and indirectly he casts the newcomers as metics and their stay in Greece as metoikia Bakewell maps the manifold anxieties that metics created in classical Athens showing that although citizens benefited from the many immigrants in their midst they also feared the effects of immigration in political sexual and economic realms Bakewell finds metoikia was a deeply flawed solution to the problem of large scale immigration The Eerdmans Companion to the Bible Gordon D. Kamitsuka,2007-07-20 In the early years of contesting patriarchy in the academy and religious institutions feminist theology often presented itself as a unified front a sisterhood The term feminist theology however is misleading It suggests a singular feminist purpose driven by a unified female cultural identity that struggles as a cohesive whole against patriarchal dominance Upon closer inspection the voice of feminist theology is in fact a chorus of diverging perspectives each informed by a variety of individual and communal experiences and an embattled scholarly field marked by the effects of privilege and power imbalances This complexity raises an important question How can feminist theologians respect the irreducible diversity of women s experiences and unmask

entrenched forms of privilege in feminist theological discourse In *Feminist Theology and the Challenge of Difference* Margaret D Kamitsuka urges the feminist theological community to examine critically its most deeply held commitments assumptions and goals especially those of feminist theologians writing from positions of privilege as white or heterosexual women Focusing on women s experience as portrayed in literature biblical narrative and ethnographic writing Kamitsuka examines the assumptions of feminist theology regarding race and sexuality She proposes theoretical tools that feminist theologians can employ to identify and hopefully avoid the imposition of racial or sexual hegemony thus providing invaluable complexity to the movement s identity and ultimately contributing to current and future Christian theological issues Blending poststructuralist and postcolonial theoretical resources with feminist and queer concerns *Feminist Theology and the Challenge of Difference* makes constructive theological proposals ranging from sin to christology The text calls feminist theologians to a more rigorous self critical approach as they continue to shape the changing face of Christian theological discourse
