

Mystery Book Report

Mysteries are fictional stories that are usually realistic. They are about a mysterious event which is not explained or a crime that is not solved until the end of the story to keep the reader in suspense.

1. Read a mystery chapter book of at least 100 pages. Please do not read any Brownie Children's Note the Clues, Figure It Out, Clue Books, or High Rise Detectives books as the reading level are too low for fourth graders. Nancy Drew, Hardy Boys, and Doreen Rappaport books are great reads, but visit the local library and ask the librarian for suggestions.

2. Create a "Mystery Skeleton"

Directions

Tell about the "body" of the story you read this month. Put together a "skeleton" model to use in your story presentation. I'll hang it up when you're finished. Use index cards as stiff paper. Put the skeleton together with string or yarn.

Head Draw and color the face of the main character. Write your name on back of the head and describe the main character in full sentences and your best guesses.

Chest/Upper Torso Draw & color the setting where and when the story takes place. Write at least one sentence (in narrative) that describes the setting.

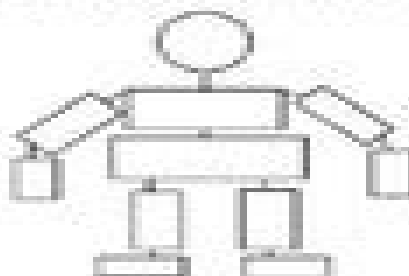

Abdomen/Hips Write 3-5 sentences in your best narrative that explain the main problem or mystery in the book.

Upper Arms Write the names of other important characters. Add how each relates to the problem or main character in full, narrative sentences.

Lower Arms Write at least 3 other problems in complete, narrative sentences, the main character must solve on the way to solving the main problem.

Legs Write ways the character gets out of the mystery or solves the main problem – the climax and solution.

Feet Write one thing you liked about the book in a sentence in narrative on each foot and explain why.
