Marty Essen doesn't break the time rules he sets up from the start so many sci fi authors do and as far as I'm concerned that's just lazy writing. Not the case here. Yes his characters learn and adapt and grow but the foundation of his rules remain intact always. To repeat fun witty surprising sexy. Highly recommend Jeff Abugov writer producer director *Time Is Irreverent* is a delightful romp that scores solid satirical points about religion human nature sex the Trump administration and a great deal more. Tom Flynn editor *Free Inquiry* magazine. Ironic original hysterically funny deftly crafted and an impressively entertaining read from first page to last. *Time Is Irreverent* by Marty Essen is an especially and unreserved recommended for community library Science Fiction if you loved *Time Is Irreverent* run don't walk to consume this perfect sequel. Tom Flynn editor *Free Inquiry* magazine. An excellent follow up to the original and this from someone who typically hates sequels. All the same great characters and more plus Jesus although not your mama's Jesus. The funny is funnier the crazy crazier and the politics even more in your face in the good way. If you loved the first you've got to read the second. Well done Marty. Jeff Abugov writer producer director. For those aficionados of entertaining optimistic sci fi who have been avidly waiting for another *Time Is Irreverent* adventure your wait is over. Marty Essen has produced a fine follow up to his first time traveling escapade and I hope that the likeable characters he has created will get many future outings. A great addition to a currently gloomy pessimistic genre. I do not hesitate to recommend it. Charles Remington Readers Favorite Book Reviews Publisher's Warning. This book is intended for a liberal audience and features satirical content that may not be appropriate for Donald Trump supporters or those who are offended by views that challenge traditional religious beliefs. Common side effects include wide smiles sudden laughter and occasional snorts. Reader discretion is advised. **The Musk Ox Passion** Thomas York, 1978. A rollicking irreverent novel set in the Canadian North which satirizes the devious schemes of avaricious southerners who threaten the North while claiming to civilize it. *Time Is Irreverent 3: Gone for 16 Seconds* Marty Essen, 2020-03-31. Marty Mann and Nellie Dixon are back for another irreverent liberal twisty time travel comedy. This time they have Noah's Ark and Ronald Reagan in their sights. Where would you go on a time travel vacation. At the conclusion of their last episode Marty Mann and Nellie Dixon were on Starship Blue about to depart for the planet Krichardia some forty light years away. Knowing that they would likely never return to Earth again their Krichard lovers Chrissie and Tina arranged for them to abscond with the Chromosphere Cruiser for up to twenty seconds. During that time Marty and Nellie could do whatever they wanted as a way to say goodbye to Earth. Days weeks or even months might pass for them but as long as their final time jump delivered them back into Starship Blue's cruiser bay within twenty seconds of their departure Captain Jagger and the rest of the Krichard crew would never know they were gone. In this episode our snarky heroes embark on that time travel vacation. Those trips will hurl them into an enlightening adventure that spans from 3000 BC to AD 10 000. They'll discover the truth behind Noah's Ark encounter the Cult of the Holy Smokin Hot Nellie pilfer a bass from a young Geddy Lee and be taken prisoner by people in the future with just one demand Kill Ronald Reagan. *Time Is Irreverent 3 Gone for 16*
