Sleeping With Lions A Spiritual Awakening:

Sleeping with Lions: A Spiritual Awakening Netta Pfeifer, 2014-10-22 In *Sleeping with Lions* the author takes you on a spiritual safari that started in her difficult childhood with a mentally ill mother One of her earliest memories is of wanting to know what is love When she was eight years old she had a vision of a beautiful man with what she thought was a towel on his head He became her Guardian Angel her inner voice Little did she know that the answer to her question as told in *Sleeping with Lions* was right there in that vision Twenty years later she saw the wildly popular film called *Born Free* The story of how Joy and George Adamson rehabilitated their pet lioness Elsa and returned her to a wild life in Kenya spoke to the author of an unconditional letting go kind of love the kind of love for which she had been searching She wrote a fan letter to the Adamsons and Joy replied Leaving her one of a kind job as Executive Secretary to a top Hollywood motion picture talent agent after corresponding with Joy for two years she set out for Africa Far from finding love at Joy's camp where she worked as her assistant for six months the author encountered a woman whose mood swings and volatility were eerily reminiscent of her own mother's mental illness In the end Africa Joy and George Adamson and their cheetahs and lions served as a bridge for what became the real purpose of the author's journey After Joy it took her to Nairobi where she spent three months with the Veterinarians Drs Sue and Tony Harthorn Through them she traveled to an ashram in India In that rarified atmosphere in the foothills of the Himalayas her quest for unconditional love and what it means to be truly free ended when she came face to face with her Guardian Angel and he became her Guru

The Tempest as Mystery Play Grace R.W. Hall,2014-03-06 Comparison of Shakespeare s works to their likely sources is one way to deepen our appreciation Sources for The Tempest however have long eluded the grasp of scholars who have unearthed only bits and pieces that resemble minor elements of the play Few traces of the special qualities of The Tempest have turned up in any works so far considered as sources This author is the first to identify a strong biblical basis

for *The Tempest*. Further, she demonstrates that the play's use of biblical imagery, characters, and concepts echo the way these elements were interpreted in the English Mystery Plays. Thus, Hall is able to trace the links between *The Tempest* and the best-known religious works of Elizabethan society: the Bible, the Mystery Plays, and the 1559 Book of Common Prayer. These links reveal *The Tempest* as a profoundly spiritual work, allowing the modern reader to experience the play as a harmonious religious vision.
