Wellcare Georgia Provider Manual:

Crisis Services: Effectiveness, Cost-Effectiveness, and Funding Strategies U.S. Department of Health and Human Services, 2019-11-23 Crisis Services are a continuum of services that are provided to individuals experiencing a psychiatric emergency The primary goal of these services is to stabilize and improve psychological symptoms of distress and to engage individuals in an appropriate treatment service to address the problem that led to the crisis Core crisis services include 23 hour crisis stabilization observation beds short term crisis residential services and crisis stabilization mobile crisis services 24 7 crisis hotlines warm lines psychiatric advance directive statements and peer crisis services The research base on the effectiveness of crisis services is growing There is evidence that crisis stabilization community based residential crisis care and mobile crisis services can divert individuals from unnecessary hospitalizations and ensure the least restrictive treatment option is available to people experiencing behavioral health crises

Early Medical Abortion, Equality of Access, and the Telemedical Imperative Jordan A. Parsons, Elizabeth Chloe Romanis, 2021-10-21 Telemedicine has recently become a key focus of healthcare systems globally heavily influenced by the COVID 19 pandemic and the increased need for remote care pathways Implementing telemedicine can bring myriad benefits for both patients and providers and has the potential to make a huge impact by improving access to abortion care In both the United Kingdom and United States abortion is heavily regulated exceptionally so when compared to other routine healthcare This regulation has had the impact of exacerbating the social and geographical circumstances that can make access to abortion services difficult This book examines telemedical provision of early medical abortion alongside the access barriers created by laws in the United Kingdom and United States It critically appraises a series of developments in this rapidly evolving subject providing an up to date and well informed analysis In doing so it argues that there is a moral imperative to introduce retain or reinstate as applicable telemedical early medical abortion

Harvard Scoundrels Christopher Cadbury, 2024-10-02 Of course Harvard is one of the most prestigious educational institutions in the world Its imposing faculty has won far more Nobel Prizes than any other university now approaching 170 However a small minority of the people associated with Harvard have taken a wrong turn in life A few of them have become felons major pranksters research fabricators or powerful advocates of obnoxious ideas This groundbreaking book takes a look at them Many of the people described in it are like their more upright counterparts they truly excel in their endeavors A Harvard College dropout murdered the most renowned architect of his time on top of one of his most famous buildings in front of three hundred people Another college dropout sold a deadly energy drink throughout America A further college dropout planned the largest armed robbery up to that time A special two year Harvard student planned the attack on Pearl Harbor which led to America s participation in World War II One graduate of the college had the perhaps unique distinction of breaking both the Clayton and the Sherman antitrust acts A second graduate of the college embezzled from the New York Stock Exchange while he was its president a third terrorized the nation for nearly twenty years with his sixteen sometimes deadly mail bomb attacks a fourth appeared to give the Soviets the greatest detailed information about the atomic bomb followed by descriptions of the hydrogen bomb a fifth inadvertently invented the first computer worm and a sixth provoked a national crisis in the Catholic Church Two men from the college led separate campaigns to overthrow the Puerto Rican government In one four US congressmen were shot You will see that disproportionate numbers of the college scoundrels majored in economics or played football A law school dropout fixed basketball games A second made the largest net gain ever recorded from inside information about one stock A graduate of the law school tear gassed the New York Stock Exchange and another created false paperwork for seven thousand immigrants A pedophile who graduated from the medical school brought fifty six children to the United States A business school dropout seems to be the richest man in the world ever to go to prison twice A graduate of the business school triggered the largest American bankruptcy at the time another created the greatest bank fraud A PhD graduate initiated ransomware A medical school resident committed perhaps
