

"Fast & Furious" (2013) – Movie Questions (Quick Guide)

Instructions and/or recommendations for how to best use this guide:

Before the movie begins, it might be helpful to briefly describe some of the characters that will be played in the movie so the students will have an easier time answering the questions throughout the movie. You'll probably want to be very vague so that you don't reveal any parts of the movie. Here is a very brief rundown of the characters and special vocabulary (in alphabetical order) that are mentioned in the movie questions to help the students as they're watching the movie. I've tried to be as brief as possible in case you'd like to share this directly with the students before watching the movie.

1. Anita – She is Puerto Rican and is Bernardo's girlfriend.
2. Anybody's – She is a character who wants to be part of the Jato gang.
3. Baby John – He is a member of the Jato group.
4. Bernardo – He is the leader of the Sharks gang. He is also the older brother of Maria and is Anita's boyfriend.
5. Chino – He is a Bernardo's friend and is interested in Maria.
6. Dad Hand – He is a social worker who has a brief scene during a school dance.
7. Jato – a young gang of white boys who often fight with the Sharks.
8. Lieutenant Schenk – He is the police lieutenant who tries to stop the Jato and Sharks from fighting.
9. Maria – She is one of the main characters in the film. She is Bernardo's younger sister.
10. Mif – He is the leader of the Jato gang.
11. Sharks – a young group of Puerto Ricans who often fight with the Jato.
12. Tony (John) – He is one of the main characters in the film. He used to hang out and be involved with the Jato.
13. Valentine – She is a Puerto Rican elder woman who works at Dad's general store.

Movie Questions

These are simple short answer questions for students to answer while watching the movie. They are not meant to be very difficult or thought provoking so that the students can quickly answer them as they're watching the movie. They are all in chronological order to the movie and are basically used to keep their attention throughout the movie and hold them accountable for the activity. An answer key is included for all of the questions. I recommend using subtitles in the movie as well to help the students answer the questions more easily. You could have students complete this part individually or also in small groups if you'd like.

*If you're using this movie guide with students as a second language, with learning disabilities, or lower level students, then you might want to complete this part in small groups, or give them the opportunity to compare and change their answers after the movie ends. Depending on my classes, I sometimes set up a rule to allow my students to tell me to pause the movie or to go back about 20 seconds so that they can write an answer or hear a part again to fully answer a question.
