examples and case studies Advertising and Promotion 4th edition introduces the reader to the key concepts methods and
issues and illustrates these with first hand examples gathered from leading international advertising agencies and brand
campaigns Told from the perspective of the agency it gives a fun and creative insider view helping the reader to think beyond
the client position and understand what it might be like working within an ad agency Drawing not only from management
and marketing research but also from other disciplines such as cultural media studies and sociology the authors offer a
rounded and critical perspective on the subject to those looking to understand advertising as social phenomenon in addition
to its business function and purpose The new edition has in depth coverage of online advertising and the role of social media
in advertising including metrics and analytics and includes advertising examples by global brands including Adidas Benetton
BMW Dove and DeBeers Snapshots bring in aspects of cross cultural advertising such as Barbie in China The book is
complemented by a companion website featuring a range of tools and resources for lecturers and students including
