Humanities ,1985 *A Life with History* John Morton Blum,2004 The author of such classic works as *The Republican Roosevelt* *V Was for Victory* and *Years of Discord* John Morton Blum is one of a small group of intellectuals who for more than a quarter of a century dominated the writing of American political history Writing now of his own career Blum provides a behind the scenes look at Ivy League education and political power from the 1940s to the 1980s Blum insightfully recounts a long and distinguished journey that began at Phillips Academy where he first realized he could make a career of teaching and writing history He tells how young men were socialized to the values of the Northeastern establishment in those years before World War II and how as a non practicing Jew he learned to overcome bigotry both at Andover and at Harvard which then had no Jewish

professors In 1957 Blum joined the faculty of Yale University's history department widely regarded as the nation's best where he became both influential and popular and where his students included one future U S president as well as others who aspired to the office He reveals much about the inner workings of Ivy League education and tells of controversies over the Vietnam War and the Black Panthers his role in Eugene McCarthy's presidential campaign and how he searched for common ground between reactionary faculty and radical students More than a recounting of a singular life Blum's story explains how political history was researched and written during the second half of the twentieth century describing how the discipline evolved gained ascendancy and was challenged as historical fashions changed It also offers revealing glimpses of such prominent academics as Kingman Brewster Arthur Schlesinger Jr C Vann Woodward and William Sloan Coffin Over a distinguished career Blum witnessed considerable change in elite educational institutions where minorities and women were grossly underrepresented when he first entered academia In a memoir brimming with insight and laced with humor he looks back at the academy not a refuge from reality but an alternative reality as he reflects upon his intellectual journey and his contributions to the study and writing of twentieth century American history
