Good morning to everyone

I'm happy to stand here and offer my thanks on behalf of all the students and staff. A special thank you to Ms. Sandhya, our Chief Guest, for accepting our invitation and joining us today. Your ideas have really motivated us. I appreciate Mrs. Karishma, our Headmistress, for always encouraging and directing us. Our teachers, who are today's great stars, always work very hard and with a lot of love to make each of us good students and amazing people. Whenever your pupils needed you, you were always gracious with your time. I appreciate you, teachers. I also want to thank all of you for coming and helping to make this day great and special for our beloved instructors.

'O Captain, My Captain': One Teacher's Hope for Change in the Irish Education System Jennifer Horgan,2023-02-06 O Captain My Captain is a book about one teacher s hope for change in the Irish education system It is written in an engaging style that draws on personal experience as well as research It aims to reach anyone interested in education from teachers and academics to parents and young people The book imagines what our education system might look like without the Leaving Cert and the CAO system It considers the type of learning that might happen in our classrooms without the demands of a single set of high stakes exams It suggests that our students and our broader society might be more fulfilled and safer as a result In the opening chapters the author considers

attitudes towards teachers in Ireland The author suggests a breakdown in this respect linked to the classrooms of the past and a growing pressure on students to perform well in a market run system Our competitive drive in education is presented as yet another form of oppression in our country following on from the abuses of the Church and colonialism The book makes the claim that removing the stress and the singularity of the Leaving Cert could liberate Irish students There is a deep concern for social justice throughout In the later chapters the author places much focus on the importance of objective sex education in Irish schools referring to rising rates of harassment and violence in our universities The writer believes that a removal of a rigid academic approach to education would allow more time to discuss the physical and social realities of young people s lives and bodies The book closes where it began in considering the role of the teacher what the parameters of that role should be in a classroom devoted to helping children find their own individual paths and encouraging them to tell their own stories *The Educational reporter (and science teachers' review).* ,1869 **The True Latter-Day-Saints' Herald**
