

Wedding Thank-You Speech Examples

"[Partner's name] and I want to thank everyone for being here with us today. Many of you have traveled a long way to participate, and we thank you for your time and effort.

We've spent the last [number] months planning our wedding, and we could not have done it without the help of some very special people. First, [one partner's parents' names] and [other partner's parents' names], thank you for everything you've provided and done for us. You've been there every step of the way, ensuring our wedding day was the best it could possibly be, and it has been.

To our wedding party [list names or address as a whole]—you've laughed with us, celebrated our engagement with us, cried with us over ugly tablecloth colors and bad hair days, and just been all-around amazing friends to us both. And for that, we thank you so much. Our day wouldn't be the same without each and every one of you involved.

To our guests: Each one of you is here because you belong here. Our day wouldn't be complete without you. Thank you so much for coming."

American Florist ,1897 **Femininity and Feminism in Spanish TV Dramas** Anja Louis, Abigail Loxham, 2024-09-13

Recent social and political events in Spain have prompted a resurgence of feminism in the Spanish public sphere. Popular culture intervenes in these debates and television does so specifically through the dramas which foreground female stories and female subjects in many cases redefining and interpreting key moments in the progression of national gender politics. This pioneering study maps these developing concerns onto a selection of TV dramas which centre on feminisms and female identities and as such are key interlocutors in social change. Our intention is to mainstream Spanish television studies and in our analysis of its innovative and varied approach to gender politics to take it out of the interpretative isolation ward. Smith 2006. This monograph fills a significant gap in the literature on transnational popular culture; it is ground breaking in its interdisciplinarity, television, modern languages, gender studies and is the first of its kind in English. *The American Florist*
