**4th Grade Vocabulary Building Crossword Puzzles** Todd Elzey,2016-06-19 DO YOU WANT YOUR CHILDREN TO SUCCEED I have three children who are still in school and like you I also want my children to succeed in life Our children s success is what inspired me to write this book Research shows that the more vocabulary words an elementary school student knows the more likely he or she is to do well in middle and high school Research also shows that there is a direct link between a student s vocabulary and their reading comprehension skills Consequently the more words elementary school students learn the better readers they will be and the more likely they will be good students in high school and successful as adults I became concerned when my daughter began to show difficulty with reading comprehension Her biggest problem appeared to be not knowing the meaning of many important words in her reading material In speaking with my daughter s teacher I was shocked and disturbed to learn that with the new Common Core requirements teachers don t have the time to teach the definitions of words like they used to Instead they are forced to

concentrate on spelling and teaching a limited number of definitions So I began to look for a way that parents can help their children learn the definitions of words so that reading is fun 4th Grade Vocabulary Building Crossword Puzzles is the result Why crossword puzzles Well admittedly I focused on Crossword puzzles because my daughter finds them fun But crossword puzzles are known to be a particularly effective learning tool because they are an active learning activity that will engage your 4th grader in a fun and challenging way The 36 crossword puzzles in 4th Grade Vocabulary Building Crossword Puzzles will help your 4th grader Master the 1008 4th grade vocabulary words that are nationally recommended for reading success Develop reasoning skills Improve spelling and dictionary use skills Develop word attack skills Improve the ability to tell the difference between similar words and Learn how to make inferences evaluate choices and draw conclusions 4th Grade Vocabulary Building Crossword Puzzles is intended for students in the 9 10 year old range and is appropriate 4th graders in the US and for the following grade levels in other countries United Kingdom Year 5 Ireland Fourth Class Rang a Ceathair New Zealand Standard 3 Year 5 Australia Grade Year 4 Canada Year 4 4th Grade Buy 4th Grade Vocabulary Building Crossword Puzzles today to give your child the best chance possible at being successful in school and life And buy a second copy to add a challenge for your children by working the puzzles with them
