The Insider's Guide to the Colleges, 2013 Yale Daily News, 2013-09-23 The Insider's Guide to the Colleges has been for 39 years the most relied upon resource for high school students looking for honest reports on colleges from their fellow students Having interviewed hundreds of their peers on more than 330 campuses and by getting the inside scoop on everything from the nightlife and professors to the newest dorms and wildest student organizations the reporters at the Yale Daily News have created the most candid college guide available In addition to the well rounded profiles this edition has been updated to include Essential statistics for every school from acceptance rates to popular majors A College Finder to help students zero in on the perfect school All new FYI sections with student opinions and outrageous off the cuff advice The Insider's Guide to the Colleges cuts through the glossy brochures to uncover the things that matter most to students and by staying on top of trends it gives both students and parents the straightforward information they need to choose the school that's right for them

Gender-Inclusive Higher Education in Tanzania Susan P. Murphy, Perpetua John Urrio, 2024-08-02 Whilst there is an extensive body of research exploring the barriers to gender equality and female empowerment in high income states there

are far fewer systematic analyses within lower income settings This book draws on extensive empirical data to analyse gender mainstreaming and gender transformative actions in Tanzanian higher education The book maps the practical landscape of gender mainstreaming across 14 universities in Tanzania and the theoretical landscape of African theories of masculinities and femininities underpinning educational institutions and practices It then assesses the Gender Awareness and Transformation through Education project which was designed to support the development of gender expertise and capacities in research and education at one specific institution across both its administrative and academic units Current and future academics at Dar es Salaam University College of Education were trained in gender based research and education and a strategic plan was developed to guide in the establishment of a Gender Research Centre that will provide gender expertise in research and teaching to the College and over time to other HEIs nationally and regionally By bringing together real world insights from action based research the book demonstrates the impact of real time social change and gender transformation with implications both for Tanzania and beyond Bringing novel empirical insights and policy recommendations this book will be of interest to researchers and policy makers across the fields of gender studies education and African studies
