M. Gargiulo, 2012 *Special Education in Contemporary Society An Introduction to Exceptionality* is designed for use by preservice and inservice teachers who will teach students with special needs in the general classroom. The text provides a rare glimpse into the lives of persons with exceptionalities including their families and teachers. Focusing on human exceptionalities across the life span, the text employs a traditional organization beginning with four foundations chapters that introduce teachers to special education, followed by 10 categorical chapters each on a different disability. Each categorical chapter features sections on transition, cultural diversity, technology, instructional strategies, and family considerations.

Educating Special Children Michael Farrell, 2008-04-28. This book is an authoritative overview of contributions from many disciplines to special education for young people with a wide range of disabilities. It is a vital resource for students and professionals alike. Professor Alan Carr, Director of Clinical Psychology, University College Dublin, Ireland. Farrell offers a comprehensive practical and applicable introductory text covering over 20 categorized learning disabilities, LD ranging from cognitive to physical to emotional/behavioral. This book will benefit teachers and practitioners as a handy reference that does not oversimplify. January 2009 CHOICE. *Educating Special Children* is an indispensable companion for anyone requiring an overview of provision that has proved effective for children with learning disorders and disabilities. Dr Michael Farrell guides the reader through what can be labyrinthine complexities of special education, providing educators with a road map to the most effective methods of provision currently being used. By concentrating on individual disabilities and disorders and not relying on the education system of any one country, Dr Farrell explores issues surrounding communication disorders and Autism and Asperger's Syndrome, developmental coordination disorders, reading, writing, and mathematics disorders, disorders of conduct, anxiety, and depression, attention deficit hyperactivity disorder, mild/moderate to severe and profound cognitive impairment, sensory impairments, orthopaedic and motor disabilities, health impairments, and traumatic brain injury. In addition, this authoritative text provides advice and support that is relevant to educating pupils in a range of settings. The importance of multi-professional working is explored and analysed. Based on many years of experience and drawing on expertise from all corners of the globe, this is the definite guide to special education today. [Autism Spectrum Disorder in the Ontario Context](#) Kimberly Maich, Carmen Hall, 2016-08-01. *Autism Spectrum Disorder in the Ontario Context* is the first book to offer a thorough introduction to Autism Spectrum Disorder (ASD) in Ontario. Highlighting examples, research, and interventions specific to Ontario, this manual provides an abundance of information in one central location, making it an indispensable tool for any Ontario professional working with individuals with ASD. This comprehensive text begins with a brief history of ASD and an overview of its contemporary understandings, including current diagnostic criteria. Covering a range of evidence-based interventions that have been shown to be effective for individuals with ASD and supplemented with graphics, checklists, and hands-on strategies for application, this book provides essential information to inform practitioners. The concluding section on ASD across the lifespan explores how these interventions are delivered within agencies throughout Ontario, from preschool

through to adulthood and addresses relevant issues and topics for each age group Featuring chapter summaries definitions of key terms lists of further resources and reflective questions this highly accessible and pedagogically rich text is vital reading not only for current and future practitioners but also for parents of children with ASD **Sexuality and Relationship Education for Children and Adolescents with Autism Spectrum Disorders** Davida Hartman,2013-10-21 Children and adolescents with Autism Spectrum Disorders ASD require specialized teaching strategies when learning about the body sexuality and relationships This complete sex education resource provides practical teaching advice activity ideas and illustrated handouts geared towards the needs of children of all ages on the autism spectrum *Prevention: What Works with Children and Adolescents?* Alan Carr,2006-02-06 Prevention What Works with Children and Adolescents deals with the prevention of psychological problems which are of central concern to those who fund and develop health social and educational services for children adolescents and their families Problems addressed in this book include developmental delay in low birth weight infants and socially disadvantaged children adjustment problems in children with sensory and additional disabilities and autism challenging behaviour in children with intellectual disabilities physical and sexual abuse bullying adjustment problems in children with asthma and diabetes teenage smoking alcohol use and drug abuse teenage pregnancy STDs and HIV infection post traumatic adjustment problems and adolescent suicide Conclusions drawn in this book are based on the results of over 200 rigorously conducted studies of more than 70 000 children
