

Not This...	But That...
<p>You did a really good job of asking questions of students.</p>	<p>Discuss the questioning strategies you used to engage students. What contributed to their success? What evidence did you gather from students that they were engaged in the lesson?</p>
<p>The area you need to work on is shifting ownership to students.</p>	<p>What I saw was that students didn't feel like they had ownership in the lesson, leading to less engagement. Talk with me about new strategies you might incorporate to allow for ownership in your classroom. For example, if you used a questioning game where students generate questions during a review. Do you think that would help? I've seen an example, so I'll send it to you if you would like. Would you like to try it, and if so, when (during the next two weeks, etc.)? I'd really like to follow-up with you to see how it goes.</p>
