Writing and Thinking Through Assessment Teresa L. Flateby,2010-06-01 Improving Writing and Thinking through Assessment is designed to help individual faculty and administrators select assessment approaches and measures to maximize their students writing and thinking The book offers useful guidance through presentation of recommended assessment guidelines and measurement principles in Part 1 and applications from a variety of contributors in Part 2 It addresses a wide range of audiences including instructors who want to assess and thus foster writing and thinking in their courses administrators and instructors planning to assess writing and thinking at the program or institutional level and graduate students interested in improving students writing and critical thinking This book is more guide than a cookbook By providing comprehensive standards and criteria that help individuals or teams develop plans and measures to improve writing and thinking the book should be helpful for academic and Student Affairs administrators and faculty as the principles apply equally to all engaged in assessment Contributors representing a wide range of educators illustrate many of the approaches and methods described in the theoretical section of the book using a variety of assessment strategies at both classroom and program levels Readers will see how different types of institutions both private and public as well as undergraduate and graduate have designed assessment strategies and plans to gauge and enhance writing and thinking growth in the classroom and across programs They candidly describe challenges encountered and solutions they adopted or suggest These chapters reflect approaches and perspectives from various discourse communities including writing program administrators composition faculty assessment professionals and individual faculty representing several disciplines The author argues the urgent need to develop strong writers and thinkers She discusses challenges and obstacles but underscores the necessity for more faculty involvement and institutional commitment This book will help institutions and individual faculty design and implement sound meaningful assessment strategies to foster effective writing and thinking that will both advance the goals of the institutional mission and meet faculty s disciplinary objectives and scholarly concerns

Teaching Literacy in Urban Schools Barbara Purdum-Cassidy,Lakia M. Scott,2018-03-02 Today s public schools represent greater student diversity than ever before in the history of the United States yet pedagogical approaches as mandated by state education agencies and school districts superimpose mainstream curricula and instructional practices which ultimately

disadvantage the academic outcomes of the majority minority African American and Hispanic Latino students Unfortunately national report findings also heighten the educational crisis that exists for Black and Brown children with regard to reading and writing achievement As a result there is need to deeply explore the relationship between Black and Brown student literacy achievement and educational policy teacher education program curriculum and assessment This book seeks to provide some practical insights guided by conceptual and contextual knowledge by understanding how to teach urban African American and Hispanic Latino students by discussing culturally appropriate instructional strategies that have demonstrated success among African American and Hispanic Latino students This book will showcase successful models for teaching literacy to urban student through a discussion of topics that include 1 increasing literacy achievement and motivation 2 multicultural literacy practices and 3 early and elementary literacy instruction

Florida Studies Claudia Slate, 2009-03-26 Florida was the first region of the United States to be discovered explored and after a fashion settled by Euroamericans Its population in the early 21st century is approaching 17 million Within years the number of people living in the state will surpass those living in New York and the Sunshine State will become the most populous area east of the Mississippi The first book in English about Florida was written by Jean Ribault A French adventurer Ribault established a colony of Huguenots near present day Jacksonville He was captured by the very able Spanish commander Pedro Menendez who ordered his French rival and all his minions killed The state s long and colorful past is matched by its equally long and colorful literary production Strangely critical assessment of Florida literature has lagged far behind With this volume the Florida College English Association has formally begun an effort to correct this lamentable oversight Included are papers on every aspect of Florida literature and history by scholars from every part of the state who are employed in every kind of institution of higher learning Of special interest are the studies of Florida literature

in the 19th century and in the late 20th and early 21st centuries areas that are generally ignored in national journals The papers on the contributions of African American literary figures such as Zora Hurston and James Weldon Johnson are noteworthy Of particular interest are the suggestions for teaching Florida studies in the classroom which can be adapted for high school as well as college students **A Resource Guide for Elementary School Teaching** Patricia L.
