

Chapter 15

Individual Health Insurance Coverage

■ Teaching Note

This chapter includes two covered parts. The first part discusses health insurance policies in the United States, which have become increasingly complex in recent years. The second part discusses several individual health insurance programs, including plans provided through employers and individual market plans. The chapter includes a number of examples of individual health insurance policies. It is presented in a way that emphasizes the differences between the various types of individual health insurance plans, rather than the similarities. The chapter also includes a number of examples of individual health insurance policies, which are presented in a way that emphasizes the differences between the various types of individual health insurance plans. The chapter also includes a number of examples of individual health insurance policies, which are presented in a way that emphasizes the differences between the various types of individual health insurance plans.

The remaining part of the chapter discusses various health insurance policy provisions and suggestions for purchasing health insurance. Suggestions for purchasing individual health insurance can be found in Appendix A, which is located at the end of the chapter. Appendix A also includes a list of individual health insurance policies, which are presented in a way that emphasizes the differences between the various types of individual health insurance plans.
