Doing Church as A Team Wayne Cordeiro, 2011-08 In *Doing Church as a Team* Pastor Wayne Cordeiro underscores that church numbers are insignificant when every individual is not involved. However, if the team members work together as one toward a single clearly defined goal, anything is possible and everyone shares in the joys and rewards of success.

Something's Gotta Give Beth R. Bernhardt, Leah H. Hinds, Katina P. Strauch, 2012 The theme of the 2011 Charleston Conference, the annual event that explores issues in book and serial acquisition, was *Something's Gotta Give*. The conference, held November 2-5, 2011, in Charleston, SC, included 9 pre-meetings, more than 10 plenaries, and over 120 concurrent sessions. The theme reflected the increasing sense of strain felt by both libraries and publishers as troubling economic trends and rapid technological change challenge the information supply chain. What part of the system will buckle under this pressure? Who will be the winners and who will be the losers in this stressful environment? The Charleston Conference continues to be a major event for information exchange among librarians, vendors, and publishers. As it begins its fourth decade, the Conference is one of the most popular international meetings for information professionals, with almost 1,500 delegates. Conference attendees continue to remark on the informative and thought-provoking sessions. The Conference provides a collegial atmosphere where librarians, vendors, and publishers talk freely and directly about issues facing libraries and information providers. In this volume, the organizers of the meeting are pleased to share some of the learning experiences that they and other attendees had at the conference.

Discovering Creativity Stanley S. Gryskiewicz, 1993 The conference proceedings contain the following papers: Hard Organizational Development; Anthony: Positive Impact of Humor in the Workplace or TQM; Total Quality Mirth in Organizations; Collier: Introducing the Integrated Programme for the Creative Training of Leaders; Diaz-Carrera: Vision of Quality versus the Quality Vision; Green: Flying High; Musselwhite: COMM Unity; Rose: Seven Levels of Change Model; Smith: Creative Community Development; Chwedorowicz: Managing Diversity in
